Report on "World Earth Day Celebration"

Topic: Seminar Quiz competition titled "World Earth Day Celebration"

Date and Time: 22/04/2022 from 03:00Pm to 05:00pm

Name of Speaker: Mr. Harshad Ranadive

It is our privilege to report that Theem College of Engg, Boisar in association with IQAC, IIC (Institutions Innovation Cell) has organized a seminar & Quiz competition On "World Earth Day Celebration". The programme was conducted in a very interactive way and explained the various importance of Environmental issues that have posed serious threats to the sustainability of natural earth. On the occasion of Earth Day, the most serious environment related issues such as pollution, global warming, climate change, acid rain, ozone layer depletion are discussed. The whole session was interactive and educative. The session was helpful for the students of engineering domains as well as faculty members and it obviously helped them to think in this particular direction. Students learned great things about the Earth Day movement by making the best use of electricity, saving tap water, throwing waste items in the garbage box, not pouring polluting chemicals in the washroom drains, sharing our vehicles and using electric vehicles. The session was a joy to attend and more sessions will be much appreciated.

Objectives

1. To enlighten awareness about environmental issues among the students.
