I am delighted & excited to welcome you to CareerNova Technologies as a Software Development Intern. At CareerNova Technologies, we believe that our team is our biggest strength and we take pride in hiring only the best and the brightest. We are confident that you would play a significant role in the overall success of the venture and wish you the most enjoyable, learning-packed, and truly meaningful internship experience with CareerNova Technologies.

Your appointment will be governed by the terms and conditions presented in Annexure A.

We look forward to you joining us. Please do not hesitate to call us for any information you may need. Also, please sign the duplicate of this offer as your acceptance and forward the same to us.

Congratulations !

Careernova Technologies LLP

Ms. Urvi Agrawal

Founder

A/302, AGARWAL HEIGHTS, Y.K. NAGAR, VIRAR WEST, 401 303

Annexure A

You shall be governed by the following terms and conditions of service during your internship with Careernova Technologies, and those may be amended from time to time.

- You are being hired as a Software development Intern and Urvi Agrawal would be your Reporting Manager and Mentor during the internship. As a Software Development Intern, you would be responsible for the development of a scalable web application and all additional tasks as directed by your Reporting Manager.

- Your date of joining is 2nd January 2023 and the duration of the internship would be 6 months i.e. upto 2nd July 2023. During this time you are expected to be interning only at Careernova Technologies. You are also required to let your mentor know about forthcoming events (if there are any) in advance so that your work can be planned accordingly.

- You will be working remotely for the duration of the internship. Working hours will be flexible but you are supposed to complete the required working hours. Also, you have to come to the office for monthly or bimonthly meetings.

- All the work that you will produce at or in relation to Careernova Technologies will be the intellectual property of Careernova Technologies. You are not allowed to store, copy, sell, share, or distribute it to a third party under any circumstances. Similarly, you are expected to refrain from talking about your work in public domains (both online such as blogging, social networking site, and offline among your friends, colleagues, etc.) without prior discussion and approval with your mentor.

- We take data privacy and security very seriously and maintaining the confidentiality of any students, customers, clients, and companies' data and contact details that you may get access to during your internship will be your responsibility. Careernova Technologies operates on a zero-tolerance principle with regard to any breach of data security guidelines. At the completion of the internship, you are expected to hand over all Careernova Technologies work/data stored on your Personal Computer to your mentor and delete the same from your machine.

- During the appointment period, you shall not engage yourselves directly or indirectly or in any capacity in any other organization (other than your college). In the event of a breach of this condition, this appointment is liable to be terminated forthwith by the company. In addition, you shall be liable to pay liquidated damages to the Company of an extent estimated by the Company.

- Under normal circumstances, either the company or you may terminate this association by providing a notice of 10 days without assigning any reason. However, the company may terminate this agreement forthwith under situations of in-disciplinary behaviors.

- You are expected to conduct yourself with the utmost professionalism in dealing with your mentor, team members, colleagues, clients, and customers and treat everyone with due respect.

- Careernova Technologies is a start up and we love people who like to go beyond the normal call of duty and can think out of the box. Surprise us with your passion, intelligence, creativity, and hard work, and expect appreciation & rewards to follow.

- Expect constant and continuous objective feedback from your mentor and other team members and we encourage you to ask for and provide feedback at every possible opportunity. It's your right to receive and give feedback this is the ONLY way we all can continuously push ourselves to do better.

- Have fun at what you do and do the right thing both the principles are core of what Careernova Technologies stands for and we expect you to imbibe them in your day-to-day actions and continuously challenge us if we are falling short of expectations on either of them.

- You will be provided Rs 10000 per month as a stipend. Any performance rewards will be announced at the end of the internship duration.

I have negotiated, agreed, read and understood all the terms and conditions of this Internship letter as well as the Annexure hereto and affix my signature in complete acceptance of the terms of the letter.
