Alumni Association

Minutes of Meeting

26-03-2022

Agenda:

- 1) Approval of minutes of the prior meeting.
- 2) Discussion on improvement of college facilities with the suggestion from alumni.
- 3) Discussion on Theem students job opportunities and training.
- 4) Discussion on Financial and Non-financial contribution from Alumni.
- 5) Discussion on Alumni Association Account opening and fund generate.

Discussion:

- 1) Principal Dr. Aqueel Ahmed welcomed the gathering. He expressed his gratitude to all the Association members for being present within their busy schedule.
- 2) He expressed his views on Alumni Network and its importance towards the development of institute. He requested them to visit college premise at any time to provide valuable suggestion for the improvement of the college and also send suggestions through email or by phone.
- 3) Prof. M. A. Gulbarga, NAAC coordinator conveyed his gratitude for Alumni's support and help in getting the institute a NAAC Accreditation. He further explained process of NAAC and for that he requested the Alumni to conduct motivational programmes for students to build their confidence for facing interviews and for higher studies.
- 4) Some members are not able to come in the meeting so it was decided that in future meeting can be arranged in Hybrid manner (Offline as well as Online).

- 5) The following suggestions were given by alumni members for the improvement.
- a. Placement online registration for Infosys, Tech Mahindra, TCS,
 - b. Training for higher studies and study in abroad.
 - c. Certified training course.
 - d. Auditorium
 - e. Facilities for conduction of online classes and meeting.

The following are personal suggestions of the Alumni:

Mr. Surendra Diwakar, EXTC (2009-2013 Batch)

- ❖ He thanked the Management for providing good infrastructure and opportunities for carrying out his education.
- ❖ He discussed that, the members of the association should actively contribute for the students, and plan for the mentor mentee process for the students so that the students will get the proper guidance.

Mr. Kashif Shah, Mechanical (2011-2015)

- ❖ He assured to conduct seminars, guest lectures and motivational programmes for students for the benefit of the students.

Action Plan:

- 1) Suggestions for improvement forwarded to the corresponding authority.
- 2) Every departmental coordinator will give detail plan of interaction between and existing students.
- 3) Secretary along with departmental coordinators of Alumni Association will look after necessary arrangement of this kind of interaction.
- 4) Expert lectures from Alumnus in different department are planned.

Subject: Request to be as an alumni guest lecturer for final year students on 12th Oct 2022.

Dear Sir,

Theem College of Engineering is a premier Engineering Institute of H.J. Thim Trust at Boisar, Taluka Palghar, conducting graduate Engineering Program in Computer Engineering, I.T. Engineering, Electronics Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering, Civil Engineering, Automobile Engineering and Electrical Engineering. We also offer Diploma Engineering Program in Computer Engineering, Mechanical Engineering, Electrical and Civil Engineering.

Theem College of Engineering is organizing an alumni program on **Development in Grinding Machines for Foods and Chemicals** on 12th October 2022.

The Principal, Management, Staff and Students of this Institute shall be obliged and grateful with your gracious presence on 12th October 2022 at 10 AM onwards as a guest lecturer for the same.

We will be honored for your kind consent of accepting our invitation.

With best regards

Subject: Seeking permission for Alumni Guest Lecture for final year students

Respected Sir,

This is for your kind notice that Mechanical Engineering department is organising an Alumni guest lecture for final year students. The main objective of this activity is to enrich and support the **Engineering knowledge, design and development of solutions.**

In this respect, we seek your permission for the alumni guest lecture on **Development in Grinding Machines for Foods and Chemicals** with proposed date on 12th October 2022.

With best regards

Yours sincerely

Dr. Mirhaj Hashim

Report on Alumni Guest Lecture

Event: Alumni Guest Lecture on "Development in Grinding Machines for Foods and Chemicals"

Speaker: Mr. Aamir Shaikh (Director, Grade & Grind Technologies Pvt. Ltd.)

Date: 12th Oct 2022

Timing: 10 AM to 12 Noon

Venue: Seminar Hall, 3rd Floor, Mechanical Engineering Department

On 12th October 2022, **Alumni guest lecture** was organized in Mechanical Engineering Department, Theem College of Engineering. It was facilitated with **Mr. Aamir Shaikh**, Director of Grade & Grind Technologies Pvt. Ltd. It is a quality and customer oriented manufacturer and exporter of size reduction equipment for food industry, flour industry, spice, pharmaceutical, mineral and plastic industries. Apart from the size reduction, it is also a manufacturer of cleaning, drying, roasting, blending and sieving system.

Mr. Aamir Shaikh is an alumnus of 2015 Batch from Mechanical Engineering, Theem College of Engineering, Boisar. The lecture was organized to motivate and discuss the challenges of program was introduced with Mr. Aamir and his journey in establishing an entrepreneur company with innovative idea of designing the grinding machines

During question hour session, the enthusiastic participants asked several queries and doubts regarding their personal challenges for the resource allocation and monetary support.

The program ended with the signing of MoU between Theem College of Engineering and Grade & Grind Technologies Pvt. Ltd for five years (12th Oct 2022 to 11th Oct 2027). The keys agreements of MoU were that G&G Pvt. Ltd. will cooperate for students for further training and learning skills.

Around 40 B.E. students from mechanical department attended the program. Apart from this, around 30 to 40 students from civil and automobile department also joined the program for their interest. Students get highly motivated towards their future endeavor and pledged to put their all effort to achieve the success. The event coordinator of the webinar was Dr. Minhaj Hashim and the event convener was Prof.

Mohammed Wasim Khan, HOD, Mechanical Engineering. The program was concluded with Vote of thanks delivered by Prof. Mohammed Wasim Khan.

Memorandum of Understanding (*MoU*) has been signed today (12th October 2022)

between

Grade & Grind Technologies Pvt. Ltd. & Theem College of Engineering

from 1st Oct 2022 to 30th Sep 2027

Introduction

Company Profile

Grade and Grind Technologies Pvt. Ltd. are quality and customer-oriented company with a global vision and reach. The journey of Grade and Grind Technologies Pvt. Ltd. started from a very modest beginning as a manufacturer & exporter of size reduction equipment for food industry, spice industry, pharmaceuticals industry, flour industry, minerals industry, plastic industry, etc. Apart from size reduction equipment, we also manufacture cleaning systems, drying system, roasting systems, blending system & sieving system. We manufacture versatile equipment ensuring high level of precision with our strong focus on design & quality.

Institute Profile

Theem College of Engineering is a premier Engineering Institute of H.J. Thim Trust at Boisar, Tal. & Dist. - Palghar, conducting graduate Engineering program in Computer Engineering, IT Engineering, Computer Science & Engineering (AI&ML), Electronics & Tele Communication Engineering, Mechanical Engineering, Civil Engineering, Electrical Engineering and Automobile Engineering. We also offer Diploma Engineering program in Computer Engineering, Mechanical Engineering, Electrical Engineering and Civil Engineering. It is affiliated to the Mumbai University and approved by AICTE, Govt. of Maharashtra and MSBTE with B+ NAAC Accreditation.

Subject: Seeking permission for Guest Lecture on "Entrepreneurship".
Respected Sir,

I **Prof. Moin ul Haque Sabri**, the Assistant Professor in Mechanical Engineering Department. My department is going to organise a Guest Lecture on the topic of "Entrepreneurship" for the benefit of our students. The main objective of this activity is to enrich our students about the entrepreneurship and the functioning of industries. Hence, promoting industrial knowledge and application among the students in order to enhance their curiosity about the entrepreneurship. This will help in motivation and career development of students. The Guest lecture will be deliver by our alumni who is currently a successful Entrepreneur in the field of engineering designing & fabrications.

You are kindly requested to permit for the activity of above said development program.

With best regards

Yours sincerely

Action Taken Report

Academic Year 2022-23

Report of the actions taken as per the syllabus review by stakeholders

Sr. No	Stakeholder	Feedback	Action Taken
1	Students	Syllabus should include practical based approach and more weightage must be given to projects.	Students are motivated to develop mini projects in individual subjects and were also guided regarding advanced technologies by conducting SDPs.
		Internship must be encouraged.	Students were encouraged to take up internships during vacations and also signed MoUs with EdTech firms for the same.
2	Teachers	More emphasize to be given on innovative methods & current developments	To correlate the syllabus with industry requirements, faculties attended several FDPs on recent technologies to impart the learning.
3	Alumni	Industry oriented knowledge and learning scheme should be implemented	Add-on courses or SDPs conducted to impart industry-oriented learning.
		Placement Activity needs to be improved.	Working on Training & Placement of Students by collaborating with industries. Also conducted Campus recruitment Training session.
4	Employer	Candidates should be trained as per current industry requirements.	Industrial visits were organized and students were motivated to take up internship to explore industry environment.
		Candidate's soft skills and technical knowledge should be enhanced.	Campus recruitment Training sessions were conducted.
