THEEM COLLEGE OF ENGINEERING

CC-OL-40383

Dear Mohammed Umair Ismail Shaikh ,
Welcome to CodeClause!

Congratulations! We are delighted to make you an offer as an intern as **Web Development Intern**
Here are the terms and conditions of our offer:

Your scheduled date of internship with us will be from **1-Jul-2023** . If you accept this offer, you will begin your internship with the Company. As an intern, you will receive "temporary employment" status. As a temporary employee, you will not receive any of the employee benefits that regular Company employees receive.

By accepting this offer, you agree that throughout your internship, you will observe all policies and practices governing the conduct of our business and employees, including our policies prohibiting discrimination and harassment. This letter sets forth the complete offer we are extending to you and supersedes and replaces any prior inconsistent statements or discussions. It may be changed only by a subsequent written agreement.

This letter constitutes the complete understanding between you and the Company regarding your internship and supersedes all prior discussions or agreements. This letter may only be modified by a written agreement signed by both of us. I hope that your internship with the Company will be successful and rewarding.

Thank You

Annexure A

You shall be governed by the following terms and conditions of service during your internship with Careernova Technologies, and those may be amended from time to time.

- You are being hired as a Software development Intern and Urvi Agrawal would be your Reporting Manager and Mentor during the internship. As a Software Development Intern, you would be responsible for the development of a scalable web application and all additional tasks as directed by your Reporting Manager.
- Your date of joining is 2nd January 2023 and the duration of the internship would be 6 months i.e. upto 2nd July 2023. During this time you are expected to be interning only at Careernova Technologies. You are also required to let your mentor know about forthcoming events (if there are any) in advance so that your work can be planned accordingly.
- You will be working remotely for the duration of the internship. Working hours will be flexible but you are supposed to complete the required working hours. Also, you have to come to the office for monthly or bi-monthly meetings.
- All the work that you will produce at or in relation to Careernova Technologies will be the intellectual property of Careernova Technologies. You are not allowed to store, copy, sell, share, or distribute it to a third party under any circumstances. Similarly, you are expected to refrain from talking about your work in public domains (both online such as blogging, social networking site, and offline among your friends, colleagues, etc.) without prior discussion and approval with your mentor.
- We take data privacy and security very seriously and maintaining the confidentiality of any students, customers, clients, and companies' data and contact details that you may get access to during your internship will be your responsibility. Careernova Technologies operates on a zero-tolerance principle with regard to any breach of data security guidelines. At the completion of the internship, you are expected to hand over all Careernova Technologies work/data stored on your Personal Computer to your mentor and delete the same from your machine.

Dear Sir,

Subject: **Permission for R.M.C Plant visit.**

As you may be aware, Theem college of engineering is one of the most reputed engineering institutes in Boisar known for its excellent record in academics and co-curricular activities. The college offers bachelor degree and diploma courses in different disciplines including civil.

As part of the curriculum, the students are required to undertake industrial visit to industry. We feel it will be fruitful that the students with academic backgrounds have a glimpse of the industry in order to have a better appreciation of practical application of theory. In the above background, we would like to send our **43 students** of Third year and Second Year civil engineering branch with **2 faculty members** to visit your **R.M.C Plant** for site visit.

I request you kindly accord the necessary permission for the visit. We assure you that our students will observe rules and regulations that are prescribed by your plant for the visitor and will in no way to disturb the functioning of it during their visit.

We shall be grateful for a favorable response.

Subject: Letter of Appreciation for Site Visit (R.M.C Plant).

Dear Sir,

It gives us immense pleasure and delight in introducing "Theem College of Engineering" located at Boisar which has grown at fast pace and gained respectful standing among the contemporary institutes. Theem College of Engineering was established under the umbrella of "H.J. Thim Trust" The College was started with the core objective to impart quality education to students in the field of Technology and it is approved by AICTE, MSBTE and DTE (Govt. of Maharashtra). We have well facilitated library and laboratories.

We appreciate your broad view and interests in inspiring and giving technical knowledge of R.M.C Plant to the students and faculty members. We are very much thankful to you for your helpful and cooperative nature. As per feedback, R.M.C Plant Visit was appreciative and helpful.

Dear Sir,

It gives us immense pleasure and delight in introducing "Theem College of Engineering" located at Boisar which has grown at fast pace and gained respectful standing among the contemporary institutes. Theem College of Engineering was established under the umbrella of "H.J. Thim Trust" The College was started with the core objective to impart quality education to students in the field of Technology and it is approved by AICTE, MSBTE and DTE (Govt. of Maharashtra). We have well facilitated library and laboratories.

We appreciate your broad view and interests in inspiring and giving technical knowledge of R.M.C Plant to the students and faculty members. We are very much thankful to you for your helpful and cooperative nature. As per feedback, W.T.P Plant Visit was appreciative and helpful.

CERTIFICATE

This is to certify that **Mr. Nayan Dipak Gaykwad**, Student of **Theem College of Engineering, Boisar, (2nd Year, Mechanical Engineering)** has successfully completed his Project work/Practical Training in this organization from **15/06/2018 to 30/06/2018**.

During this period, the student did project work/practical training on "**Feed Water System**" at Tarapur Maharashtra Site (TAPS-3&4), NPCIL. It is further certified that during the period the student has been sincere and his conduct has been satisfactory.
