File

3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge (patents filed, published, incubation center facilities in the HEI to be considered).

We have developed a vibrant ecosystem that fosters creativity, encourages exploration, and facilitates the seamless transfer of knowledge. Through a range of dynamic initiatives such as project fairs, seminars, workshops, industrial visits, and Theem Makers Vectors, we empower our students and faculty to innovate, collaborate, and make meaningful contributions to society. Let's explore how these initiatives enrich our learning environment and drive forward the frontiers of knowledge.

(1) For fabrication:

- (a) **Workshop:** Our workshops provide hands-on learning experiences and practical skill development opportunities for students and faculty. Covering a wide range of shops like machining shop, fitting shop, and carpentry shop. It helps in learning the basics of fabrication.
- (b) **Theem Maker's Vector:** It is an extension of workshop was established to provide most required facilities like cutting, welding, machining etc. to complete the mini and major projects along with research works.

(2) For igniting minds:

- (a) **Project Fairs:** Our project fairs serve as platforms for showcasing the innovative projects and research endeavours of our students and faculty.
- (b) **Hackathon:** Theem COE promises to be a dynamic and transformative event, where ideas converge, innovation flourishes, and solutions emerge. We invite you to join us on this exhilarating journey, as we harness the power of technology and creativity to shape a better future.

(3) For motivating research: Institute arranges conferences, workshops, seminars and guest lectures in which students get ideas and become inspired for research projects.

- (a) **Conferences:** We have been organising conferences at our institute as well as participating in other conferences each year since 2018 onwards.
 - (i) **Multicon-W-2018** conference for 2018-19
 - (ii) **THEEM-2020** in 2019-20 which our students and faculty contributed the conference with 68 technical research articles.
 - (iii) **HWWE-2020** in 2020-21 in online mode. The proceedings namely 'Technology Enabled Ergonomic Design' was published by Springer.
 - (iv) **THEEM-2021** in 2021-2022, in which our 62 research articles were published in the conference proceedings.
 - (v) **THEEM-2022** in 2022-23. In this conference, 88 papers were published in the proceedings.
- (b) **Research Consultancies:**

Collaborative research consultancies represent a powerful mechanism for harnessing the collective strengths of academia and industry to drive innovation and create value. The partnerships forged by Theem COE with industry stakeholders exemplify the transformative potential of collaborative research in addressing real-world challenges and shaping a brighter future.

By fostering a culture of collaboration, knowledge exchange, and innovation, Theem COE continues to strengthen its position as a leading hub of research excellence, driving positive change and making a meaningful impact on society and the economy.

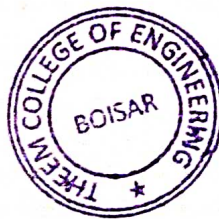

- (c) **Ph. D. for the faculties:** Offering Ph.D. programs to faculty members at Theem COE is a strategic investment in their professional growth, the advancement of knowledge, and the overall strength and reputation of the institution. By empowering faculty excellence through doctoral education, we reaffirm our commitment to academic excellence, research innovation, and scholarly leadership.

Apart from this, departments organize technical **workshops, seminars, guest lectures, industrial visits** to interact with experts on campus and off-campus for the gain of knowledge and ideas on the regular basis.

- (d) **Institute Innovation Council (IIC) cell:** The institute has its IIC cell which organises various programmes to motivate students and faculty to think over new ideas and advancements.

- (e) **Intellectual property rights (IPR) cell:** The cell promotes students and faculty to bring innovative new ideas. Through the effort, our students gotten awards for innovation in 2018-19 and this year we have gotten one patent.

At Theem College of engineering, we are committed to fostering a culture of innovation, collaboration, and knowledge transfer that empowers individuals to realize their full potential and make meaningful contributions to the world. Through initiatives such as project fairs, seminars, workshops, industrial visits, and Theem Makers Vectors, we create opportunities for students and faculty to explore their passions, expand their horizons, and drive forward the frontiers of knowledge. Moving forward, we remain dedicated to nurturing a dynamic ecosystem where creativity thrives, ideas flourish, and innovation flourished.

Report on Independence Day: Aazadi ka Amritkal

Theem College of Engineering celebrates every year, Independence Day with great zeal. This year 76th anniversary of independence was celebrated and organized enthusiastically by Mechanical Engineering Department near Cafeteria on 15th August 2023 from 9:15 AM onwards.

Objective:

- Remember all the significant landmarks during India's independence movement
- Epitome of all that is progressive about India's political, socio-cultural, and economic identity
- To facilitate the youth and scholars to shoulder the accountability for fulfilling the country's efforts

Outcomes:

The program filled each and every with patriotic feeling to remember

- Movements & Struggles freedom movements
- Forgotten Heroes; Stories of Unsung heroes, freedom fighters
- Milestones; key milestones during the freedom struggle and
- Ideas-ideas that inspired the struggle for independence

The flag hoisting is done by the hand of Senior Police Inspector, Mr. Umesh Patil, Boisar Police station. All dignitaries including Vice-chairman Mr. Sharif Thim, Director N. K. Rana, Junior college Principal, Mr. Sarvodaya sir were present on this occasion.

The program started with a patriotic song sung by Theem Global School students. Students of Theem College of Arts, Commerce & Science delivered a speech on this occasion. Finally, Dr. Riyazoddin Siddique, Principal, Theem COE gave vote of thanks to the guests.

Around **70 faculties** and **150 students** celebrated this occasion enthusiastically. The Program ended with the National Anthem and patriotic slogans.

Event Report

“Intellectual Property Rights and IP Management for Start up”

Date-22 MAY 2023

Time-2:00 PM Onwards

Mode Online on Google meet.

Expert Speaker: Prof. M. A. Gulbarga. (Director)

Jnanbharati institute of basic education and research, Hubli Karnataka.

Objectives:

The session focused on the:

- To create awareness on Intellectual Property Rights and Patents.
- To develop an Academic and Industrial research perspective.

Outcomes:

Students gained knowledge in the following areas:

- The different aspects of Intellectual Property Rights (IPRs), Conversion of the research/project works into Patents.
- The faculties and students were acquainted with Intellectual Property Rights (IPRs) and the process of Patenting.

Report of the Programme

The Civil Engineering Department in association with IQAC, IIC of Theem College of Engineering, organized an webinar on “Intellectual Property Rights and IP Management for Start up” to enhance the students knowledge about different aspects of Intellectual Property Rights (IPRs), Conversion of the research/project works into Patents. This topic is also helpful for the students to make a startup and Intellectual property (IP) management . The program started at 2:00 PM with the invocation & recitation of Holy Quran by Prof. Sharique Ahmad faculty of IT Department. After that Prof Mubashir Khan, professor of Computer Department had briefed about the achievements of Theem IIC.

The speaker was introduced by the host of the event Prof. Harshad Ranadive, staff of Civil Engineering Department. The speaker of the session Prof. M. A. Gulbarga (Director) Jnanbharati institute of basic education and research, Hubli Karnataka, has addressed and explained about the Intellectual Property Rights and IP Management for Start up. Prof. Gulbarga also elaborates complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc. Also the speaker explained the difference between these topics, also the validity for each right, judicial laws available under each right & the limitations of each right.

Some participants gave their feedback and expressed their overwhelming response to attend these kinds of programs in the near future. At valedictory Prof. Faiz Mohammad Khan HOD of Civil Engineering Department, given vote of thanks. The Management appreciated the organizing team members and all the participants for being present over the program.

Report of Event

Topic: How to plan for Startups and Legal & Ethical Steps

Date and Time: 12/05/2023 from 11:00 AM to 05:00 PM

Name of Speaker: Mr. Mallappa Mariyani

Welcome & Inaugural speech: Prof. Mubashir Khan

It is our privilege to report that Theem College of Engineering, Boisar in association with IQAC, IIC (Institution's Innovation Cell) has organized a workshop on "**How to plan for Startups and Legal & Ethical Steps**", the speaker of the program has delivered seminar in a very innovative way and explained how start-up can be planned. As speaker himself involved in startup working as manager, has presented the case study of same. He has explained various legalities involved in start-up along with the challenges faced at different stages. The role of ethics in whole professional process has been conveyed effectively by the speaker. All attendees (103 students & 15 faculties) have been enlightened by the speaker Mr. Mallappa Mariyani.

The session was very helpful for the students of engineering domains as well as faculty members and it helped them to think about the planning for the start-ups, pitching ideas and convert ideas into product. The session was a joy to attend and more sessions will be much appreciated. The conclusion of the program and vote of thanks presented by HOD Prof. Raees Ahmad.

Objectives

1. To motivate students towards Start-up through innovative thinking and planning.
2. To inculcate legal aspects of building a start-up with ethical approach.

Outcomes (Students should be able to)

1. Bring their ideas into reality and Plan for Start-ups.
2. Understand the importance of legal aspects and ethical approach.

Subject: Request to be "Speaker" for the workshop on "How to plan for Startups and Legal & Ethical Steps".

Dear Sir,

Theem College of Engineering is a premier Engineering Institute of H.J. Thim Trust at Boisar, Taluka Palghar, conducting graduate Engineering Program in Computer Engineering, I.T. Engineering, Electronics Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering, Civil Engineering, Automobile Engineering & Electrical Engineering. We also offer Diploma Engineering Program in Computer Engineering, Mechanical Engineering & Civil Engineering.

Department of Electrical Engineering is organizing a workshop on "How to plan for Startups and Legal & Ethical Steps" under IIC dated 12th May 2023.

The HOD, Staff and Students of this Institute shall be obliged and grateful with your gracious presence on **12/05/2023** at 10:00 AM.

We will be honored for your kind consent of accepting our invitation.

With best regards.

Subject: Thanks giving for accepting our invitation for the workshop on "How to plan for Startups and Legal & Ethical Steps" as Speaker.

Dear Sir,

On behalf of the management and the organizing committee, we express our sincere appreciation for accepting our invitation for the workshop on "How to plan for Startups and Legal & Ethical Steps" conducted at our institute on 12th May 2023. Your address was very informative and really contributed to the success of the program. We hope that your guidance will be helpful for our students and faculties to explore incorporation of new technologies into start-up. You have covered all aspect of research and innovation in dynamic technological era. We look forward to your valuable co-operation with our students and faculties in future too.

Report of Event

Topic: National Technology Day

Date and Time: 11/05/2023 from 3:00 Pm to 05:00 Pm

Name of Speaker: Dr. Riyazoddin Siddiqui

Welcome & Inaugural speech: Prof. Raees Ahmad

It is our privilege to report that Theem College of Engineering, Boisar in association with IQAC, IIC (Institution's Innovation Cell) has organized a program to celebrate **National Technology Day**. **Dr. Riyazoddin Siddiqui**, the speaker of the program has delivered seminar in a very innovative way and explained the various important paths to direct their career in the respective field. As speaker himself is the technologist and research scholar. He has gone through all major technological shift in past decades. Dr. Riyazoddin has beautifully correlated how technological shift created opportunities for start-up along the transition. All attendees (**41 students & 8 faculties**) have been enlightened by the speaker with reference to some examples. The session was very helpful for the students of engineering domains as well as faculty members and it helped them to think about the importance of research & innovation in the start-ups. They learnt a great deal about how to pitch ideas and convert ideas into product through new technologies. The session was a joy to attend and more sessions will be much appreciated. The conclusion of the program and vote of thanks presented by IIC coordinator **Prof. M.R. Khan**.

Objectives

1. To motivate students towards Start-up through guidance and specific day celebration.
2. To inculcate creativity, innovativeness and market analysis in our students

Outcomes (Students should be able to)

1. Explore opportunities for young innovators, entrepreneurs and Start-ups in India.
2. Understand the importance of incorporating new technologies in start-ups.

(Prof. Raees Ahmad)

Subject: Request to be "Speaker and Chief Guest" on the occasion of National Technology Day.

Dear Sir,

Theem College of Engineering is a premier Engineering Institute of H.J. Thim Trust at Boisar, Taluka Palghar, conducting graduate Engineering Program in Computer Engineering, I.T. Engineering, Electronics Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering, Civil Engineering, Automobile Engineering & Electrical Engineering. We also offer Diploma Engineering Program in Computer Engineering, Mechanical Engineering & Civil Engineering.

Department of Electrical Engineering is organizing an event to celebrate "National Technology Day" under IIC on.

The HOD, Staff and Students of this Institute shall be obliged and grateful with your gracious presence on 11/05/2023 at 3:00 PM.

We will be honored for your kind consent of accepting our invitation.

With best regards

(Prof. M.R. Khan)

Dear Sir,

On behalf of the management and the organizing committee, we express our sincere appreciation for accepting our invitation for the event "National Technology Day" conducted at our institute on 11th May 2023. Your address was very informative and really contributed to the success of the program. We hope that your guidance will be helpful for our students and faculties to explore incorporation of new technologies into start-up. You have covered all aspect of research and innovation in dynamic technological era. We look forward to your valuable co-operation with our students and faculties in future too.

With best regards

REPORT ON ORGANIZING OF

'INTER/INTRA INSTITUTIONAL BUSINESS PLAN COMPETITION' AS A MEANS TO INNOVATIONS MANAGE THROUGH 'YUKTI'

In this era of innovations, there is no sustenance for any one or any organization without creative and innovative ideas. Daily by daily new ideas are being launched in the market of competition. To be creating interest and shaping the ability of creation and innovation in the youth of our country, business plan competitions are organized in educational institutions under the banner of YUKTI- National Innovation Repository (NIR). In the same series, the Automobile Engineering Department of THEEM College of Engineering also organized 'INTER/INTRA INSTITUTIONAL BUSINESS PLAN COMPETITION' on 8-May-2023 in which many groups of students took part with new ideas related to non-conventional energy, safety of automobile, electric vehicle and IC engines. The theme of the competition is "A Competition on Business Plan Strategy".

The main objectives of this competition were;

- (i) To make the people aware of importance of creativity and innovation.
- (ii) To motivate the people to bring creative ideas
- (iii) To exchange the ideas within people

It was festivated with full enthusiasm and energy in the college campus. Twenty-five students from different colleges, fifty-two students from our college and twenty faculties including five from outside collages participated in the event. Some important projects observed in the competition are as follows.

- (i) Design of Three Wheel Electric Scooter as Personal Mobility Vehicle
- (ii) Design and Fabrication of Automated Lawn Mover
- (iii) Automatic Fire Supression System
- (iv) Split battery system for electric vehicles

- (A) Multi-axial solar powered charging system
- (B) Compressor system in IC engines

The groups exhibited the science of the projects and their major benefits to the society with power saving potential as well as the products. They focused on the ideas to make it applicable at the industrial level as Smart Ups. Three groups were highly appreciated for their innovative ideas. Based on the performance rating of the observers and judges, they were rewarded with prize.

The whole celebration was technologically rich and very beneficial for all participants in the sense of motivation and encouragement for the creativity and innovation.

The exhibition was done under the supervision of Professor Ishaad Shaikh, HOD of Automobile Engineering Department with the co-ordination of Dr. Md. Anwar and Prof. Shubham Dhodi. It was successfully executed with appreciable number of participants. The event was very much supported and appreciated by Director (Dr. N. K. Rana) and Principal (Dr. Riyazuddin Siddiqui).

Event Report

“World Intellectual Property Day”

Date- 26th April, 2023

Time- 11:00 am – 1:00 pm

Mode of conduction- Off-line.

Objectives:

- To encourage students for innovative ideas, innovative thinking and converting ideas into innovative projects.
- To develop awareness for IPR rights.

Outcomes:

- Awareness about legal, ethical ways to protect one's Intellectual property.
- IPR, copy rights, trademark, Patent laws and their importance

Report of the Program

Computer Engg. Department in collaboration with IIC-Theem College of Engineering has organized a speech competition on “World Intellectual Property Day” to create awareness about intellectual property, IPR laws. Program was aimed to encourage women's contribution in innovation and creative thinking.

The program started at 11:00 am with the welcome speech by HoD-Computer Engg Prof. K.N. Attarde. Students from various department participated in the speech competition. Prof. Attarde also highlighted that students can convert their innovative ideas into projects for solving the problem of our societies as well as industries.

Total number of students 67 and 8 faculty members were present.

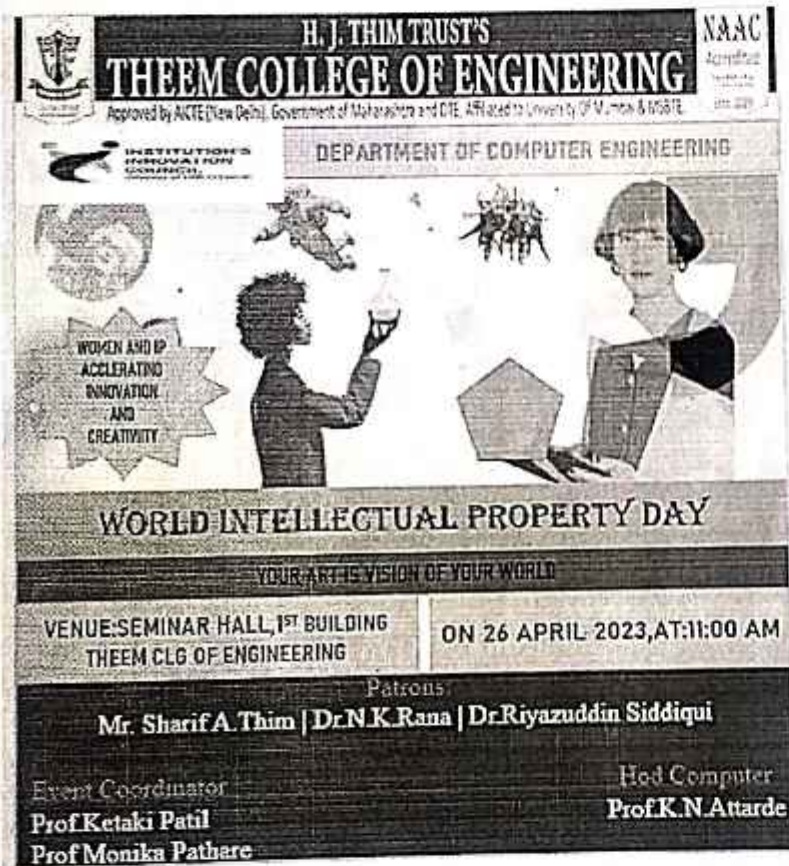

At valedictory Prof. Ketki Patil has given vote of thanks. The Management appreciated the organizing team members and all the participants for being present over the program.

Report on Workshop on Business Model Canvas

Objectives:

1. To learn the mapping of proper business model.
2. Identifying the challenges.
3. To understand the customer requirement and fulfilling it with optimized monetary policies.

Outcomes:

Participants will be able to...

1. Understand the business model canvas development.
2. Analyzing the market challenges.
3. Develop a healthy relationship between the customer and entrepreneur.

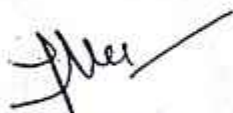

On 10th April 2023, a workshop on **Business Model Canvas** was organized by Mechanical Engineering Department, Theem College of Engineering. It was facilitated with Mr. Rajkumar Devkar, Managing Director, Manish Fasteners & Vikram Industries. The program was held in Auditorium, 3rd Floor Building no. 1, Theem COE.

The program was started with the felicitation of our guest from HOD Prof. Mohammed Wasim Khan. **Mr. Rajkumar Devkar** open his discussion with the requirement of proper business model required in current era. He primarily described the nine basic building blocks of Business Canvas Model. Customer segments, Value propositions, Channel to reach customers, Relationship, revenue streams, key resources, activities, partners and cost structures were the basis of the presentation.

The presentation clearly elaborated how important the canvas development is for any startup entrepreneur as well as senior executive. Finally, the guest discussed about fulfilling the customer need based on Maslow's Hierarchy of Needs.

During question hour session, the enthusiastic participants asked several queries and doubts regarding unconventional public relation and monetary support for the operation. The speaker very patiently answered the queries of participants and motivated them for any future consultancy.

Around 65 students of from Mechanical and Automobile Engg. Department were present in the workshop. It was a good learning experience for the faculty as well as students about entrepreneurship. The event coordinator of the webinar was Dr. Minhaj Hashim and the event convener was Prof. Mohammed Wasim Khan, HOD, Mechanical Engineering. The program was concluded with Vote of thanks delivered by Prof. Mohammed Wasim Khan.

Event Report of workshop on “Women Safety” on occasion of International
Women’s Day, 2023.

Date -08th MARCH 2023

Time - 11:30 AM to 01:00 PM

Mode of conduction - offline workshop

Venue – Seminar Hall, 2nd Floor

Objectives:

- To make students and staff aware, cautious, and equipped in times of need to reduce the number of crimes against women.
- To motivate girl students that our safety is in our hands.
- To make aware about rights & privileges of women.

Outcomes:

- The workshop talked about the basics of the self-defense system, how one should react in an unfriendly situation.
- This workshop underlined the personal safety guidelines to be followed at home, public transport, outstation travel, hotel safety and social gathering,
- This Workshop also generated awareness among the audience about striking and defensive techniques as well as guided on how one should tackle multiple attackers, react and deter the intents.

Report of the Program

The WEGRC in association with IQAC, IIC and NSS of Theem College of Engineering, has organized a workshop on “Women safety” on occasion of International Women’s day 2023 to spread awareness among girl students about their safety.

The program started at **11:30 am** with the welcome speech by Prof. Sonali Karthik. She also briefed the audience about the Theem IIC activities & its achievements.

Speaker of the session **Mr. Suresh Salunkhe**, Assistant Police Inspector Boisar police station briefed girl students that society is very much concerned about women safety but most women should make herself strong physically and mentally to face the challenges. He also briefed that the police department is always there to implement law and order and in case of need, the police department should be contacted immediately. He also shared helpline numbers among girl students.

In total **59 girl students and 8 faculty members** were present during the workshop.

Workshop Feedback

Activity Feedback

Name: Workshop on "Entrepreneurship Skill, Attitude and Behaviour Development"

Duration of the Program: 20/02/2023

Attendees: Final Year Students

1) Did the expert emphasize the fundamentals properly?

Yes

2) Did he cover Skill, Attitude and Behaviour Development on Entrepreneurship?

Yes

4) Did you end up the program with any kind of queries or doubts not cleared by the expert?

~~Yes~~ No

3) Did you learn something valuable from this workshop?

Yes

5) What benefits you derived from the workshop?

I have learned about Entrepreneurship

6) Overall rating of the course?

- Excellent
- Very good
- Good
- Satisfactory
- Poor

7) Any suggestion or opinion

Subject: Seeking permission for workshop on Entrepreneurship Skill, Attitude and Behaviour Development

Respected Sir,

This is for your kind notice that Mechanical Engineering department is organising a workshop on Entrepreneurship for final year students. The main objective of this activity is to enrich and support the **Engineering knowledge, design and development of solutions.**

In this respect, we seek your permission for the workshop on **Entrepreneurship Skill, Attitude and Behaviour Development** with proposed date on 20th February 2023.

With best regards

Yours sincerely

Dear Sir,

Theem College of Engineering is a premier Engineering Institute of H.J. Thim Trust at Boisar, Taluka Palghar, conducting graduate Engineering Program in Computer Engineering, I.T. Engineering, Electronics Engineering, Computer Science Engineering (AI & ML), Mechanical Engineering, Civil Engineering, Automobile Engineering and Electrical Engineering. We also offer Diploma Engineering Program in Computer Engineering, Mechanical Engineering, Electrical and Civil Engineering.

Theem College of Engineering is organizing a workshop on **Entrepreneurship Skill, Attitude and Behavior Development** on 20th February 2023.

The Principal, Management, Staff and Students of this Institute shall be obliged and grateful with your gracious presence on 20th February 2023 at 10 AM onwards as a guest lecturer for the same.

We will be honored for your kind consent of accepting our invitation.

Report on Workshop on Entrepreneurship

Objectives:

1. To encourage the development of creative business concepts and ideas.
2. Identifying the challenges.
3. To differentiate between Business and Entrepreneurship.

Outcomes:

Participants will be able to...

1. Understand the importance of creative ideas.
2. Frame the ideas into actual prototype development.
3. Categorically differentiate between Business and Entrepreneurship.

On 20th February 2023, a workshop on **Entrepreneurship Skill, Attitude and Behavior Development** was organized by Mechanical Engineering Department, Theem College of Engineering. It was facilitated with Dr. Chinmay Pingulkar, Mechanical Engineering Department from VIVA Institute of Technology, Virar. The program was held in Auditorium, 2nd Floor Building no. 1, Theem COE.

Three distinct sections made up the session. **Dr. Chinmay Pingulkar** primarily clarify the difference between entrepreneur and business. He inspired the students to start their own businesses as soon as feasible in the first portion. The students were motivated to start working with their ideas in early age of their life due to diverse options and better learning abilities.

The presentation's second portion concentrated on various steps which involves in making of an entrepreneur. The guideway for the participants was conveyed very clearly in the ppt.

Finally, the success story of CEO of Boat, Mr. Aman Gupta was share among the audience. The challenges which have been tackled during the entrepreneurship was well conveyed through the examples.

During question hour session, the enthusiastic participants asked several queries and doubts regarding their personal challenges for the resource allocation and monetary support. The speaker very patiently answered the queries of participants and motivated them for any future consultancy.

Around 70 – 80 students of from Degree as well as diploma were present in the workshop from different departments. Around 20 enthusiastic students of Mechanical Engineering participated in the program. It was a good learning experience for the faculty as well as students about entrepreneurship. The event coordinator of the webinar was Dr. Minhaj Hashim and the event convener was Prof. Mohammed Wasim Khan, HOD, Mechanical Engineering. The program was concluded with Vote of thanks delivered by Prof. Mohammed Wasim Khan.

Subject: Seeking permission for Guest Lecture on "**Entrepreneurship**".

Respected Sir,

I **Prof. Moin ul Haque Sabri**, the Assistant Professor in Mechanical Engineering Department. My department is going to organise a Guest Lecture on the topic of "**Entrepreneurship**" for the benefit of our students. The main objective of this activity is to enrich our students about the entrepreneurship and the functioning of industries. Hence, promoting industrial knowledge and application among the students in order to enhance their curiosity about the entrepreneurship. This will help in motivation and career development of students. The Guest lecture will be deliver by our alumni who is currently a successful Entrepreneur in the field of engineering designing & fabrications.

You are kindly requested to permit for the activity of above said development program.

With best regards

Yours sincerely

Mr. Siraj Sheikh.
Director, Aqua Express Water Park Rides.
Vasai, Thane West - 400601.

Subject: Thanksgiving to Mr. Siraj Sheikh.

Dear Sir,

We are very glad to thank you for delivering Guest Lecture on "Entrepreneurship" as an "Entrepreneur" to enrich our students & faculties. Your speech on the "Entrepreneurship" enlightened our students & faculties. Our students have learnt a lot by your industrial experience in the field of designing and fabrications. This lecture will be very helpful in the career formation of our students and facing the challenges of engineering design.

We always expect the same kind of coordination and cooperation in future.

Thanking you

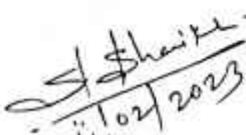

With best regards

Yours faithfully,

Prof. Moin ul Haque Sabri

“Expert talk on Innovation & Entrepreneurship in HEI”

Date -23rd JAN 2023

Time - 11:00am – 12:30pm

Mode of conduction - offline

Venue – Seminar Hall, Building -1

Objectives:

- To create awareness among young innovators about innovation and entrepreneurship.
- To motivate students towards building their own startups.

Outcomes:

- Students should come forward for startup activities.
- Participants should convert their innovative ideas into startups, opportunities available in various domains, market survey, idea pitching etc.

Report of the Program

The Computer Engineering Department in association with IQAC, IIC of Theem College of Engineering, has organized a seminar on “Expert talk on Innovation & Entrepreneurship in HEI” to spread awareness among students about possible start-ups.

The program started at 11:00 am by Prof. Mubashir Khan with the welcome speech, invocation & recitation of the Holy Quran. He also briefed audience about the Theem IIC & achievements. Speaker of the session Mr. Abdul Majid Ansari ignited minds of young potential innovators about possible business opportunities in various domains, market analysis, Mr. Ab. Majid also discussed various innovative ideas presented by participants from all branches like Computer, IT, Mechanical, Electrical, Civil, Automobile engineering.

In total 60 students participated and 8 faculty members were present during the talk. Some participants had provided feedback about the session. In valedictory Prof. K.N. Attarde expressed vote of thanks. The Management has appreciated the organizing team members and all the participants for being present over the program.

Subject: Request to conduct Boot Camp on Flutter at THEEM COE.

Dear Sir,

Theem College of Engineering is a premier Engineering Institute of H.J. Thim Trust at Boisar, Taluka Palghar, conducting graduate Engineering Program in Computer Engineering, I.T. Engineering, Electronics Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering, Civil Engineering, Automobile Engineering & Electrical Engineering. We also offer Diploma Engineering Program in Computer Engineering, Mechanical Engineering & Civil Engineering.

Theem College of Engineering is organizing a Boot Camp on Flutter under IIC to strengthen technical knowledge of our students.

The Principal, Management, Staff and Students of this Institute shall be obliged and grateful with your gracious presence on 23rd January 2023 at 11 AM.

We will be honored for your kind consent of accepting our invitation.

With best regards

(Dr. S. Riyazoddin)

Event Report

“Business Opportunities for startups in the domain of Mobile & Web Application Development using Flutter”

Date -23rd JAN 2023

Time - 2:00 PM Onwards

Mode of conduction - offline seminar

Venue – Seminar Hall, Building -1

Objectives:

- To create awareness among young innovators about possible business activities using mobile / web applications
- To motivate students regarding Flutter tool for developing mobile/web application.

Outcomes:

- To make use of Flutter tool by the start-ups to outreach large number of customers.
- Business ideas / opportunities using Mobile & Web application.

Report of the Program

The Computer Engineering Department in association with IQAC, IIC of Theem College of Engineering, has organized a seminar on “Business Opportunities for Startups in Mobile & web development using flutter” to spread awareness among students about possible start-ups.

The program started at 2:00 pm by Prof. Mubashir Khan with the welcome speech and call to Prof. Sharique Ahmad (IT) invocation & recitation of the Holy Quran. He also briefed audience about the Theem IIC & achievements.

Speaker of the session Mr. Abdul Majid Ansari ignited minds of young potential innovators about possible business opportunities in the domain of Web & Mobile app development, role of flutter as development tool, market share, possible start-up activities using mobile app development.

In total 37 students participated and 8 faculty members were present during seminar. The Management has appreciated the organizing team members and all the participants for being present over the program.

Event Report

“Roll of Accreditation in Quality Enhancement of Technical Education”

Date - 12th January, 2023

Time - 3:15 pm – 5:15 pm

Mode of conduction- Off-line.

Objectives:

- To create awareness among faculty members about NAAC & NBA accreditation.
- To highlight key areas to improve performance in technical education.

Outcomes:

- Importance of NAAC/NBA accreditation.
- The documentation, reports and procedures to be followed during institute and department level events.
- Planning Institute level / Department level activities

Report of the Program

The IIC Theem College of Engineering, organized a “Accreditation Awareness Program - 2023”.

The program started at 3:15 pm with the welcome note. The speakers were introduced by the Host of the event **Prof. Mubashir Khan**, Asst. Prof. of Computer Engineering Department. He also briefed about various activities planned by Theem IIC for A.Y. 2022-23.

The speaker of the 1st session **Dr. N. K. Rana**, Director Theem college of engineering, analyzed performance of various criterions and key-indicators. He motivated faculty members to Organise/participate into a greater number of academic/ extra-curricular activities. He also highlighted key areas where one can score more credit points.

2nd session was engaged by **Dr. Riyazuddin Siddiqui**, Principal, Theem CoE. He highlighted importance of NBA accreditation and planning program level activities in accordance with NBA guidelines.

Total 38 faculty members were present.

At valedictory Prof. Mubashir Khan has expressed vote of thanks.

“Workshop on Research Methodology & Technical Paper Writing”

Date - 11th January, 2023

Time - 3:15 pm – 5:15 pm

Mode of conduction- Off-line.

Objectives:

- To encourage faculty members for quality research work.
- To develop effective technical paper writing skill.

Outcomes:

- Importance of Literature review.
- The skills, characteristics, attributes and functions of good Researcher.
- The importance of research tools required for quality paper writing.

Report of the Program

The IIC Theem College of Engineering, organized a “Workshop on Research Methodology & Technical Paper Writing” to develop research-oriented environment in the campus.

The program started at 3:15 pm with the invocation & recitation of Holy Quran. The speakers were introduced by the Host of the event **Prof. Mubashir Khan**, Asst. Prof. of Computer Engineering Department. He also briefed activity plans of Theem IIC.

The speaker of the 1st session Dr. N. K. Rana, Director Theem college of engineering motivated faculty members to **convert UG/ PG level project ideas into quality research work**. Another session was engaged by speaker Dr. Riyazuddin Siddiqui, Principal, Theem CoE. He highlighted importance of **LATEX** in preparing technical paper / reports / synopsis / thesis. 3rd session was on **Mendeley Desktop** for adding References/ Bibliography to research paper/ report/ proposal.

This was a hands-on session demonstrated by Dr. Minhaj Hashim, Faculty Mechanical Engineering Department at Them CoE

Total 51 faculty members and 17 non-teaching staff members were present.

At valedictory Prof. Mubashir Khan has expressed vote of thanks. The Management appreciated the organizing team members and all the participants for being present over the program.

Event Report

“NATIONAL POLLUTION CONTROL DAY”

CYCLOTHON 2022

Date-02 DEC 2022

Time- 3:00 PM Onwards

Mode of conduction- Cycle Rally in Theem College of Engineering Campus

Objectives:

- To make students aware, and spread awareness in the industries that cause various pollution like water, air, soil, and noise and affect the environment and obviously health.
- To give knowledge to the students regarding pollution so that a better or clean environment can be formed.
- Through the cycle rally to give the slogan to the students **“Burn the fat not a fuel”**

Outcomes:

- To make the environment clean and nicer to live in, it is crucial to regulate pollution.
- Every person in the world is accustomed to living in a healthy environment free of pollution.

Report of the Programme

The Civil Engineering Department in association with IQAC, IIC and NSS of Theem College of Engineering, organized a **“Cycle Rally”** on **“National Pollution Control Day”** to develop & spread awareness regarding causes of pollution in the environment and how we control these pollution and make a healthy environment.

The program started at 3:00 pm by Miss Achal Yadav and Miss Rani Shah TE (IT) with the welcome speech and call to Prof. Sharique Ahmad (IT) invocation & recitation of the Holy Quran. Miss Achal Yadav calls **Dr. N.K.Rana Director of TCOE** and he gave a brief introduction about the Theem IIC & achievements. He also highlights and motivates students how to reduce the pollution and by their innovative ideas & by using the cycle.

After that Miss Rani Shah TE (IT) called to say a few words regarding the events **Dr. Riyazoddin Siddiqui, Principal of TCOE**, asked questions to participants about **“What are the major causes of**

pollution & their effect on the health of earth?" Few participants replied as per their interpretation, he also aware the large amount of pollution is generated by Automobile vehicles ,so we can reduce the air pollution by using cycle. Then Dr.N.K.Rana and Dr.Riyazoddin inaugurated the cycle rally by cutting the ribbon in front of 25 cycle rally participants and other 60 number of students & NSS volunteers with 20 faculty members were present.

Some participants gave their feedback and expressed their overwhelming response to attend these kinds of programs in the near future. At valedictory Miss Rani Shah TE (IT) has given vote of thanks. The Management appreciated the organizing team members and all the participants for being present over the program.

“My Story, Motivational Session by Successful Innovators”

Objectives:

- Inculcating the importance of innovation among students by sharing a successful innovator's journey.
- Making students explore to different technologies available today and integrated approaches for future generations.

Outcomes:

- Able to understand various approaches towards innovation.
- Able to use different integrated approaches in science and technology for sustainable future and able to find solution for societal issues.

Date: 19/10/2022

Report of the Programme

The Computer Engineering, Department in association with IQAC, IIC of Theem College of Engineering, organized a Seminar on “My story, Motivational Session by Successful Innovator” to inculcate innovation culture among students and to explore them about the different technologies available today and integrated approaches for solving real life problems.

The program started at 10:30 am with the invocation & recitation of Holy Quran. The speaker was introduced by the Host of the event **Prof. Mubashir Khan**, Asst. prof. Computer Engineering Department. He also briefed achievements of Theem IIC.

The speaker of the session Mr. **Anand Vartak**, Director VAA technologies Pvt. Ltd. Boisar, started the session by asking question to participants about “What is innovation?” Few participants replied as per their interpretation. Then Speaker then explained what is innovation, how much scope for innovation. He also highlighted students can convert their innovative project ideas into products register innovative ideas/ products/ services for Indian patents.

He shared his own success story about his innovative project idea, right from planning implementing, testing to final deployment. What issues he faced? how he overcame those difficulties? Mr. Anand Vartak also explained participants how actively Government agencies are supporting startups, innovative ideas etc. Various Government schemes/ scholarships/ rewards announced by Government of India to motivate Startups / Innovative ideas, products / Entrepreneurs. Some participants gave their feedback and expressed their overwhelming response to attend these kinds of programs in near future. At valedictory **Prof. K. N. Attarde** has given vote of

Subject: Request to be a Resource person for Seminar on "My Story: Motivational Session by Successful Innovator" on 19 Oct 2022.

Respected Sir,
Theem College of Engineering is a premier Engineering Institute of H. J. Thim Trust at Boisar, Taluka Palghar, conducting graduate Engineering Program in Computer Engineering, I.T. Engineering, Computer Sc. and Engineering (AIML), Electronics & Telecommunication Engineering, Mechanical Engineering, Civil Engineering, Automobile Engineering and Electrical Engineering. We also offer Diploma Engineering Program in Computer Engineering, Mechanical Engineering, Civil Engineering and Electrical Engineering.

Theem College of Engineering is organizing Seminar on "My Story: Motivational Session by Successful Innovator" on 19 Oct 2022, at 10.30 a.m. The Principal, Management, Staff and Students of this Institute shall be obliged and grateful with your gracious presence. We will be honored for your kind consent of accepting our invitation.

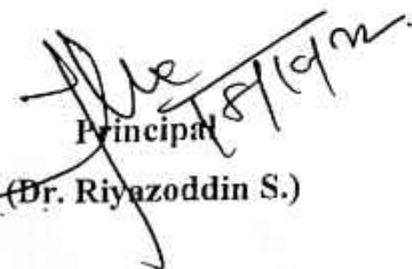

Thanking you,
Yours faithfully,

Report of Poster Competition on Innovation in Daily Life

Topic	Innovation in daily Life
Date	15 th October, 2022
Venue	Theem College of Engineering Boisar

On the occasion of National Innovation Day, In the honour of Birth anniversary of our former President of India, Bharat Ratna Dr A.P.J. Abdul Kalam, the Department of IT engineering in association with IIC and IQAC Organized a Poster Competition Event on Innovation in daily Life. which was held on 15th of October, 2022. There were 41 students who participated the competition in total. The theme for National Innovation Day 2022 is "Innovation in daily Life".

Objectives: The objective of the event is to introduce students to the important roles that innovation and creativity play in every aspect of human development.

This Competition was coordinated by Prof. Sonali Karthik and Prof. Sharique Shaikh.

NATIONAL INNOVATION DAY

INNOVATION
IS THE
ABILITY TO
SEE CHANGE
AS AN
OPPORTUNITY-
NOT A
THREAT..

Rank 2 Poster:

A. P. J. Abdul Kalam

Who is Abdul Kalam ? Indian scientist and politician who played a leading role in the development of India's missile and nuclear weapons programs.

APJ Abdul Kalam was a very simple person; he was the youngest sibling of 5 and never even had a television at home. He preferred waking up early at 6:30 or 7:00 am and never was in any controversy because of his personal life. He lived his life as simple as possible. Only personal belongings to him had been a Veena, his books, a laptop, some clothes, and a CD player. When he died, he had no will, and all his possessions went to his brother.

Awards and Honors

- ❖ Distinguished Fellow - Institute of Directors, India, 1994.
- ❖ Honorary Fellow - National Academy of Medical Sciences, 1995.
- ❖ Honorary Doctorate of Science - University of Wolverhampton, UK, 2007.

INSPIRATIONAL QUOTES BY APJ

- ❖ IF YOU WANT TO SHINE LIKE A SUN, FIRST BURN LIKE A SUN.
- ❖ DREAMS IS NOT WHAT YOU SEE IN SLEEP IS THE THING WHICH DOESN'T LET YOU SLEEP.

Report of Event

Topic: India Start-up Day – “Build Your Start-up”

Date and Time: 01/10/2022 from 12:00 Pm to 02:00 Pm

Name of Speaker: Prof. Abdul Majid Ansari

Welcome & Inaugural speech: Prof. Raees Ahmad

It is our privilege to report that Theem College of Engineering, Boisar in association with IQAC, IIC (Institution's Innovation Cell) has organized a seminar On **Build Your Startup** to celebrate **India Start-up Day**. **Prof. Abdul Majid Ansari**, the speaker of the seminar has delivered seminar in a very interactive way and explained the various important ways to direct their career in the respective field. As speaker himself is the founder and cofounder of multiple start-ups and has gone through all major processes of Start-up. All attendees have been enlightened by the speaker with reference to his own example. The session was very helpful for the students of engineering domains as well as faculty members and it helped them to think in this particular direction. Students learned great things about start-up. They learnt a great deal about how to pitch ideas and convert ideas into product. The session was a joy to attend and more sessions will be much appreciated. The conclusion of the program and vote of thanks presented by IIC coordinator **Prof. M.R. Khan**.

Objectives

1. To motivate students towards Start-up through guidance and specific day celebration.
2. To inculcate creativity, innovativeness and market analysis in our students

Outcomes (Students should be able to)

1. Interpreting regulation and legal aspects for new Start-up in India.
2. Understand Government policies for Entrepreneurship / Start-ups.
3. Sense the opportunities and able to mobilize resources to make new product/ services.

Respected Sir,

On behalf of the management and the organizing committee, we express our sincere appreciation for accepting our invitation for seminar " Build your Start Up " conducted at our institute on 1st October 2022. Your address was very informative and really contributed to the success of the program. We hope that your guidance will be helpful for our students to start converting ideas into start up. You have covered all aspect of active incubation and what it needs to be an active incubator.

We look forward to your valuable co-operation with our Institute in future too.

Thanking you,

Subject: Thanks giving to Dr. Divya Padmanabhan.

Dear Madam,

We are very glad to thank you for presenting yourself as an expert lecturer for the Webinar on **Entrepreneurship** conducted in collaboration with IIC and IQAC on 21st August 2022. Your lecture enlightened our faculties and students on the concerned topic.

We always expect the same kind of coordination and cooperation in future.

Thanking you

With best regards

Yours faithfully,

Dr. Minhaj Hashim
[Event Coordinator]

Prof. Mubasshir Khan
[IIC Coordinator]

Prof. Mohammed Wasim Khan

Dr. N. K. Rana
Director

Report on Webinar on Entrepreneurship

Objectives:

1. To encourage the development of creative business concepts and ideas.
2. Identifying the challenges.
3. To provide information about funding agencies.

Outcomes:

Participate will be able to...

- 1. Understand the importance of creative ideas.
- 2. Frame the ideas into actual prototype development.
- 3. Aware of funding agencies.

On 21st August 2022, a **Webinar on Entrepreneurship** was organized in Mechanical Engineering Department, Theem College of Engineering in collaboration with IIC. It was facilitated with Dr. Divya Padmanabhan, HOD Automobile Engineering from Pillai College of Engineering (Autonomous).

Three distinct sections made up the session. Dr. Divya Padmanabhan inspired students to start their own businesses as soon as feasible in the first portion. The students were motivated to start working with their ideas in early age of their life due to diverse options and better learning abilities.

The presentation's second portion concentrated on various startups that were founded by young people. The startup examples, presented, were motivated through extremely grounded and basic ideas. Numerous examples of startups viz. Paytm, OYO, Ola and Postcard etc. were explained with their motivating journey.

Finally, information regarding different government schemes for funding viz. Seed Fund, Start Up India, Venture Capital Scheme etc. have been shared with the audience.

During question hour session, the enthusiastic participants asked several queries and doubts regarding their personal challenges for the resource allocation and monetary support.

Around 130–150 participants were present in the webinar from different departments. It was a good learning experience for the faculty as well as students about entrepreneurship. The event coordinator of the webinar was Dr. Minhaj Hashim and the event convener was Prof. Mohammed Wasim Khan, HOD,

Mechanical Engineering. The IIC coordinator was Prof. Mubashir from Computer Engineering department. The program was concluded with Vote of thanks delivered by Prof. Mohammed Wasim Khan.

Program Schedule

Date: 21st September 2022

Name of the Activity: "Webinar on Entrepreneurship"

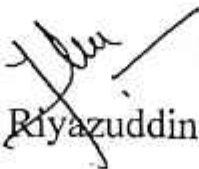

Name: Dr. Divya Padmanabhan

Sr. No.	Agenda	Time
1	Recitation of Holy Qur'an	3:00 PM – 3:05 PM
2	Introduction to IIC	3:05 PM – 3:10 PM
3	Welcome, Felicitation and Introduction of Guest	3:10 PM – 3:15 PM
4	Session on Entrepreneurship	3:15 PM – 4:30 PM
5	Question hour	4:30 PM – 4:45 PM
6	Vote of Thanks	4:45 PM – 4:55 PM
8	Activity Feedback [Annex - Feedback]	4:55 PM – 5:00 PM

Dr. Minhaj Hashim

Jury Panel :-

Name of the Jury	Designation of Jury	Department
M.A.Gulberga	Associate Professor	Mechanical Engg.
Wasim Khan	Assistant Professor	Automobile Engg.
Harshal Ahire	Assistant Professor	Mechanical Engg.
Iqbal Mansuri	Assistant Professor	Mechanical Engg.
Dr.Najmuddin Aamer	Professor	Computer Engg.
Sneha Sankhe	Assistant Professor	IT Engg.
K.N.Attarde	Associate Professor	Computer Engg.
Rahatullah Khan	Assistant Professor	Electrical Engg.
Faiz Mohd.Khan	Assistant Professor	Civil Engg.
Ansar Sheikh	Assistant Professor	Civil Engg.

The criteria for judging the idea/solution is shown in below table

Key Attributes	Description	Score
Idea	How unique or creative is the concept of the project/product/solution?	10
Implementation	How effective is the technical approach and implementation of the project/product/solution?	10
Functionality	How well the project/product/solution in terms of its claimed functionality?	10
Design	How well the project/product/solution is designed and polished?	10
Presentation	Does the presentation clearly define and address the project/product/solution?	10
Total		50

2. 5th Edition Smart India Hackathon (SIH-2022)

WHAT IS SIH?

Smart India Hackathon is a nationwide initiative to provide students with a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. The first four editions SIH2017, SIH2018, SIH2019 and SIH2020 proved to be extremely successful in promoting innovation out-of-the-box thinking in young minds, especially engineering students from across India.

WHAT'S NEW IN SMART INDIA HACKATHON 2022

SIH 2022 brings the next generation evolution by inclusion of new methodology to inculcate the culture of startup and innovation ecosystem across different age groups i.e. are as follows: -

A Following team of 36 students had participated in Smart India Hackathon 2022 organized by MHRD Government of India Software Edition grand finale from 25 to 26 August 2022. And Hardware Edition grand finale from 25 August and 29 August 2022.

As the very name suggests in hackathon we try to use tech to hack into real world problem to solve them better. It's a 24-72 hours product making competition where every team needs to develop a product from scratch during those pretty hours. A team size can vary from 2-6 depending on the organization who is organizing it. Hackathons whether internal or external are events that are used to crowd source ideas. Irrespective of how many hours or days it takes, it is a platform that should give participants the freedom to collaborate and work on various hacks on a software or to collect ideas. Hackathons should

1. Foster innovation through collaboration.
2. Inspire participants to present actionable ideas.
3. Help participants to discover talent and creativity.

The list of Student, Notice are enclosed with attached file with Innovative title

THEEM COLLEGE OF ENGINEERING

Date : 20-04-2022

Notice regarding Smart India Hackathon

An awareness program about Smart India Hackathon (SIH-2022) is organized for the students of MECH/AUTO as per the below mentioned schedule:-

Sr. No.	Date & Time	Department	Venue
01	21-04-2022 at 12:00 PM	MECHANICAL ENGG.	Seminar Hall - 3 rd Floor
02.	21-04-2022 at 3:00 PM	AUTOMOBILE ENGG.	

Students of respective branch are requested to attend this session.

Institutional Distinctiveness

1. Project Exhibition- 2023

1. PROJECT EXHIBITION-2023

OBJECTIVES:

1. Practising project management skills
2. Putting new tools and technologies to the test
3. Investigating new ideas and concepts
4. Making a prototype for a larger project
5. Developing problem-solving and critical-thinking abilities

OUTCOMES AND ACHIEVEMENTS:

1. Students will be able to design solutions for real-time problems that will positively impact society and environment.
2. Students will be able to identify various techniques to be implemented for the selected problem and related technical skills through feasibility analysis.
3. Students will be able to develop clarity of presentation based on communication, teamwork and leadership skills.
4. Students will be able to inculcate professional and ethical behaviour.
5. Develop interpersonal skills to work as member of a group or leader.

REPORT ON PROJECT EXHIBITION

On 08th April 2023, Theem College of Engineering, Boisar, Organised a Project Exhibition in its Theem Makers Vector. Number of students from various branches of Mechanical, Automobile, Civil etc participated in the exhibition. All the facilities and tools required for students are provided by the College and also the Theem makers Vector is an Innovative Place by itself for the students from which they can take the Inspiration and motivation for the project. The faculties also help the students by their experience and guidance. The chief guest for this exhibition was Mr. Vinit D. Raut (Asst. Prof. VIT), Virar and Dr. Rajesh Bisane (Asst. Prof. SJCE), Palghar. The exhibition started at 10:00 a.m. and was open to all students of the college. The Director of College Dr. N.K. Rana gave a commencement speech and Started the Programme. As the exhibition started, various students presented their projects. Models of Adjustable Lawn Mower, Gyroscope self-balancing wheel, Multi-Axis solar power charging Station, Seamless valves system in IC engine, were built by the students. Dr. Rajesh and Prof. Vinit, along with the Principal, went around looking at the different models designed by the students and assessed the descriptions given by the students. Apart from models, the students also organised visual presentations to help everyone understand the concepts of their working models. Dr. Rajesh Bisane gave a speech on the importance of the contributions of the young generations to the field of science and technology. At the end of the exhibition, upon careful inspection of the different models and projects, Dr. Rajesh Bisane and Prof. Vinit Raut judged the projects on the following attributes: Idea, Implementation, Functionality, Design, Presentation. Among all participating students 3 students were chosen as winners and they are awarded with Certificates and Mementoes for their excellent efforts. The exhibition ended with the Principal Dr. S. Riyazoddin delivering a speech extending their gratitude to Dr. Rajesh and Prof. Vinit Raut and congratulating all the students who participated in the exhibition.

Date: -27/03/2023

Notice

All the SE and TE mechanical and automobile students are hereby informed that the department is going to organize a mini project exhibition on dated 08/04/2023 at Theem College of Engineering in the academic year 2022-23. For that you need to plan 2x2 posters, you have to ready with your fabrication model, working model/prototype model and PPT presentations and how to prepare a report with the concern with your respect to guide and finalize your topic, model as before the deadlines.

Note: - 1) All the Project Groups must be Present without fail.

To,
 Dr. Rajesh Bisane
 St. John CEM, Palghar,

Subject: Letter of Confirmation Regarding the Invitation as a Judge for Mini Project Exhibition in "Department of Mechanical Engineering at Theem College of Engineering" On 08th April 2023. At 10:00 am.

Respected Sir/Madam,

Theem College of Engineering was started in the year **2009-10**, with Degree and Diploma programs in Engineering with an objective to impart quality education to students in the field of Technology; Theem College of Engineering has Awarded by the Following Rank The "Lokmat Trend Setters" Award 2020, "Zee 24Tas Appreciation" Award 2022, "Asia Today" Awarded Best Emerging Engineering College in Maharashtra 2022.

Theem College of Engineering has emerged as the only premier college in Boisar, Palghar Dist. with the overall intake of **660** students in various fields of Engineering. Nestled amidst lush greenery, Spread across 10 acres. Theem College of Engineering celebrates the serene splendour of pristine nature. The college offers the perfect setting for an academic environment. The college offers the following courses in Degree: Information Technology, Computer Engineering, Computer Science (AI&ML), Mechanical, Civil, Electrical and Automobile Engineering. Diploma: Mechanical, Computer, Electrical and Civil Engineering.

Mini Project Exhibition is the technical event and Best Practices which is Organized & conducted by Department of Mechanical Engineering by Theem College of Engineering every year for SE, TE Mechanical & Automobile Students for the motivation & creating interest in technical education. You are invited to be a Judge for this program on 08th April 2023. At 10:00 am.

We will be honoured for your kind consent of accepting our invitation.
 Thanking you,

Yours faithfully,

Respected Sir/Madam,

Greetings of the Day. We are pleased to express our sincere gratitude to you on behalf of Theem college of Engineering for all the efforts you have taken for permitting your Students to be a Part of Mini Project Exhibition 2023.

Your support, kindness and timely assistance were tremendously incredible and made all the activities most successful and unforgettable! The time and effort you dedicated to the event were highly appreciated not only by students but also by the staff who attended. We hope we can hold such events continuously every year.

We express our gratitude to you for all the wonderful Support you have provided to us and wish you all the best for your future endeavours.

Thanking you once again,

Sincerely,

2. Internal Hackathon for SIH- 2023

H. J. THIM TRUST'S

Theem College of Engineering, Boisar

Approved By AICTE (New Delhi) Government of Maharashtra & DTE
Affiliated To University Of Mumbai Est:- 2009 - 2010

Boisar Chilhar Road, Boisar (E), Dist. Palghar - 401 404. Tel:- (02525) 284909
Tele Fax No:- (02525) 284927 *Email: info@theemcoe.org *Website: WWW.theemcoe.org

2. Internal Hackathon for SIH 2023

Objectives:

- To create a competitive environment among the students.
- To make students aware of societal problems and utilize their technical knowledge to solve societal problems.
- To encourage students to think innovative and bring their innovative ideas into reality to solve the national challenging issues.

Report of Internal Hackathon for SIH 2023

Date	27th June 2023 (Tuesday) Time: 10:30 AM Onwards
Venue	ITC, 2nd Floor, Building No-01, Theem College of Engineering Boisar

H. J. Thim Trust's Theem College of Engineering had organized an internal hackathon for SIH 2023 on 27th June 2023 (Tuesday) Time 10:30 AM Onwards for the Students. Event was started at 10:30 AM. Prof. Sonali Karthik did anchoring for the event. The Event was inaugurated by the vice chairman of the College Mr. Mohammad Sharif A Thim. He Initiated the event by his formal announcement. The Director of the College Dr. N. K. Rana and Principal of the College Dr. Riyazoddin Siddiqui was the guest. Dr. N. K. Rana gives a brief description and objectives of the internal hackathon. The Teams presented their ideas on selected problem statements. Judges shortlisted best performers teams from all participating teams. Best Performers Teams are shortlisted by performance evaluation parameters. And the Prof. Sneha Sankhe HOD, Information Technology gives vote of thanks to all participants and managing team. SPOC for SIH 2023 from the college is Prof. Sharique Ahmad coordinated the event. More than 16 teams and 96 students have participated in the internal Hackathon. Students have participated enthusiastically and presented their solution to the Jury members. The evaluation process was done with solution presentation as per the SIH 2023 format and students demonstrated the basic functionalities of their solutions. The rigorous evaluation process and feedback done by all the jury members were really helpful for the teams to understand their shortcomings and solution improvement. Jury members congratulated all the team members and gave them best wishes for the national level Smart India Hackathon 2023 event.

Statistics:

Total 16 Teams have Participated in the internal hackathon for SIH 2023.

Total 15 teams are Shortlisted and will be nominated for SIH 2023.

Permission letter

To,

The Principal
Theem college of Engineering Boisar.

Sub: Seeking Permission for Internal Hackathon for SIH 2023

Respected Sir

I am Shaikh Sharique Ahmad from the Department of information technology, SPOC for SIH 2023 asking for permission to conduct the internal hackathon for SIH 2023. This event is scheduled on the date of 27th June 2023 (Tuesday) from 10:30 AM onwards. Venue for the scheduled event will be ITC LAB IT, 2nd Floor, building No:01. I more asking for grant permission for space utilization and required resources.

I request you to give us the permission to conduct this competition.

With best regards,

Yours Sincerely,

Prof. Sharique Ahmad
SPOC SIH

Judge Invitation Letter

To,

Prof. Sneha Sankhe,
HOD IT
Theem college of Engineering Boisar

Sub: Letter of Invitation to Be Judge Internal Hackathon for SIH 2023

Respected Sir/Madam,

We are very much honored to be able to send you this invitation to be the judge of our event **internal hackathon for SIH 2023**. This event will occur on **27th June 2023 at ITC Lab, First Floor, Building no:01, TheemCOE Boisar. from 10:30 AM onwards**. Other people will accompany you to this event to help you as much as possible.

Our event will consist of a presentation of a prototype and idea/problem statement. So Teams will represent their ideas. And then best teams will be shortlisted for smart india hackathon 2023. I hope your guidance will help us get a better judgment and enrich our views in this field. Our committee will be very much grateful for your kind gesture and guidance.

We are extremely excited to get a positive reply from you.

Hope you will give us this opportunity to serve you.

Thank you very much,

Regards,

Prof. Sharique Ahmad

Report on "Out of the box thinking for problem solving"

Objective :

Out of The Box Thinking is the attempt to think differently, unconventionally, from a new perspective.

Outcome :

Out-of-the-Box Thinking helps to understand of lateral thinking techniques, usage of lateral thinking techniques Distinguish different kinds of thinking, The power of perception Identification of creative thinking techniques

The Ministry of Education Innovation Council conducted a 1 hour session with all IIC faculty members, students, and staff on the topic "**Out of the box thinking for problem solving**", on **28th June 2022**. The topic beneficial for participants to understand how to come up with various ideas with the help of various mathematical tools and related academic machineries.

More than 30 students and faculties participated for the event. The speaker, **Prof. (Dr.) V. Kamakoti, Director, IIT Madras** spoke about how to live differently in the society with different level of thinking with various solutions. He discussed about a new course about out of the box thinking through mathematics. He highlighted the course features which is free for all and commencing for the next academic year onwards & discussed few mathematical puzzles to highlight the issue like cow grass theory, frog jumping theory, where is my friend x, the graph man etc.

26th July, 2022

To,
Mr. Rahul K. Jain

Subject: Thanks Letter to be a Resource person for "Seminar" on 26th July, 2022.

Respected Sir,

Thank you so much for sparing time from your busy schedule with our organization to be a speaker for a seminar on "Think Like An Entrepreneur". Your kind presence and speech enlightened the students about how to think like an entrepreneur.

It was a great pleasure to host you. We hope that this kindness and cooperation will remain continue in the future.

With warm regards

Yours faithfully,

Dr. Aqueel A. Shah

A Report on “ IIC 4.0 Orientation & Features ”

Objective of Program :-

1. IIC 4.0 Registration and Participation Guidelines
2. Introduction to New Features of IIC 4.0 Portal and How to Use It.
3. Glance through various programs and schemes for IIC institutions
4. Incentives and measurement of performance IIC Institutions effort
5. Integrated policy approach for maximum impact - NISP+IIC+ARIIA

Outcome of Program / Benefit in Terms of Learning /Skills/ Knowledge Obtained :-

- 1.Participant understood registration process of IIC 4.0
- 2.Got Knowledge about new features such as Mentor- Mentee Scheme, ATAL school Linkage, E-learning resources
3. Got the overview of referral scheme (Refer New institute and Earn Credit)

Faculty and students of the IIC of Theem COE attended the Orientation Session on IIC 4.0 & Features – MoE's Innovation Cell on 24th January, 2022. The event was hosted by Dr. Dipan Sahu, Asst. Innovation Director, Ministry of Education's Innovation Cell & AICTE, Government of India. He shared with the audience that as per the IIC 4.0 activity calendar the 1st semester (Q1 + Q2) was about to be over in the majority of institutions. He stated that since the Q1 & Q2 have been merged into 1st semester all IIC institutions were expected to submit activity reports in the IIC portal by the end of February 2022 for evaluation and publish score & stars till Q2. He also stated that MIC is always striving to improve the functionality and performance of the IIC network by bringing innovations in terms of new features and approaches in every new edition of IIC and elaborated on the new features and structures to incentivize participation of more HEIs and a better collaborative environment for sharing knowledge.

Interesting slides with statistics of the number of HEIs who have joined the IIC movement were shared. Mr. Sahu also discussed the ARIIA rankings. The presentation was very lively and interesting. He spoke about the future goals of The Ministry of Education to make IIC a movement in all HEI's in the near future and fulfill Prime Minister's call for Atmanirbhar Bharat.

REPORT ON ONE DAY WORKSHOP ON DESIGN THINKING, CRITICAL THINKING AND INNOVATION DESIGN

Objectives:

- 1) To provide broad information of design thinking.
- 2) To provide a comprehensive overview about design thinking, Critical thinking and Innovation design.
- 3) Identify the phases of Design thinking.

Outcomes:

Participant will be able to....

- 1) Understand the design thinking concept.
- 2) Understand the need for design thinking.
- 3) Understand the design thinking phases.
- 4) Remember objectives, activities, tools and deliverables.

On the 12th of February 2022, a One-day workshop on "Design Thinking, Critical Thinking and Innovation Design" was organized by Theem college of Engineering at 11:00am under IIC (Institution's Innovation Council) and facilitated by Dr. Ibrahim Shaikh from M.H. Saboo Siddik College of Engineering for students and faculties of Theem College of Engineering. Dr. Ibrahim Shaikh was the resource person for this workshop.

The workshop was divided into 4 sections. In the first section Dr. Ibrahim Shaikh introduces the key concept on Design Thinking, Critical Thinking and Innovation Design, defining critical terms, capabilities as well as current limitations of it. The second section consisted of need for Design Thinking. For better understanding of the concept, he admirably took the help of multi-media resources which made the topic even clearer. There were various examples given in the presentation as well as by him while explaining the topic as to make the students in a better way.

The third section was focused about understanding the design thinking process. The plan of action was discussed which consisted of Empathize (Understanding your customers need), Define (Define business objectives), Ideate (explores ideas and solutions), Prototype (build and visual ideas and solution), and finally test (Review and decide). The key concepts were introduced from the absolute basics as this workshop was designed to cater to participants with any skill level in designing. The fourth and the last section spoke about the thing to remember such objectives, activities, tools and deliverables.

The students showed keen interest in the workshop and have gained a hands-on experience in the topics of "Design Thinking, Critical Thinking and Innovation Design".

Overall 250-280 members participated from different departments. This workshop was a good learning experience for the participants. They had the opportunity to familiarize themselves to Design Thinking and also had the opportunity to interact with some of the best resource person in the country. The workshop co-ordinator was Prof. Irshad Shaikh and was assisted by Prof. Musatque Mohd. The workshop convener was Prof. Wasim Khan, Head of the Department of Automobile Engineering. Programme has been concluded by the Vote of Thanks given by our Director Dr. N.K.Rana..

Report of Event

Topic: Webinar titled "My Story- Successful Entrepreneur/Startup founder"

Date and Time: 11/02/2022 from 03:00Pm to 05:00pm

Name of Speaker: Mr. Abdul Rehman Gujrati

It is our privilege to report that Theem College of Engg, Boisar in association with IQAC, IIC (Institutions Innovation Cell) has organized a webinar On My Story- Successful Entrepreneur/Startup founder. in a very interactive way and explained the various important ways to direct their career in the respective field. whole session was very interactive and educative. The session was very helpful for the students of engineering domains as well as faculty members and it obviously helped them to think in this particular direction. Students learned great things about entrepreneurship. They learnt a great deal about becoming a founder. The session was a joy to attend and more sessions will be much appreciated.

Objectives

1. To showcase the successful Entrepreneur to motivate students towards entrepreneurship.
2. To inculcate creativity and innovativeness in our students.

Outcomes (Students should be able to)

1. Interpreting regulation and legal aspects of Entrepreneurship in india.
2. Understand Government policies for Entrepreneurship.
3. Sense the opportunities and able to mobilize resources to make new good and services

Report of Event

Topic: Webinar titled “Intellectual Property Rights Day”

Date and Time: 26/04/2022 from 11:00am to 01:00pm

Name of Speaker: Prof M A Gulbarga

It is our privilege to report that Theem College of Engg.Boisar in association with IQAC, IIC (Institutions Innovation Cell) has organized a webinar On “Intellectual Property Rights Day” and the webinar was successful.

The session started with why **26th April** is celebrated as **Intellectual property day** all over the world. The session was very interactive and explained the various aspects of Intellectual properties and their importance and was very educational. The session included types of intellectual properties and their legal stature of rights, and was very helpful for the students of engineering domains. The case examples created curiosity among students for patenting their ideas. Faculty members also took interest and it obviously helped them to think in this particular direction. Students learned great things about IPR and entrepreneurship. They learnt how one can go for patenting their idea and becoming a patent holder. The session was full of amazing things to know while going through patenting examples. the sessions will be much appreciated.

Objectives

1. To create awareness about Intellectual property and its significance .
2. To inculcate design thinking and creativity about innovation in our students.

Outcomes (Students should be able to)

1. Able to Interpret regulation and legal aspects of their Idea and innovation.
2. Able to Understand Intellectual property Rights and legal framework of patenting.
3. Sense the opportunities and be able to apply design thinking for new product design.

Department Of Information Technology

Report of Workshop on Entrepreneurship and Innovation as Career Opportunity

Topic	Entrepreneurship and innovation as career opportunity
Date	15 th of February, 2022
Venue	Online mode, MS Teams platform.

The Department of IT in association with IIC and IQAC arranged a workshop on Entrepreneurship and innovation as career opportunity which was held in an online mode on 15th of February, 2022. The session was attended by 280 students and 30 faculties.

Objectives: The aim of the workshop is to make students aware about start-up and entrepreneurship, to encourage and motivate them for entrepreneurship, which will boost their inner urge for becoming self-employed in future, to be job creators rather than job seekers.

Benefits:- Students got knowledge about upcoming Opportunities in various sectors or industry domains for entrepreneurship. Students understood about self-employment.

Workshop was conducted by Ms. Urvi Agrawal, Founder of Careernova Technologies LLP. The workshop was intended to cover:-

1. Need of Entrepreneurship
2. Searching Market Opportunities.
3. Availability of Government Schemes.

The session started with innovative ideas which are demanded in the market, strategies to convert ideas into businesses. She also suggested students make use of the facilities and

improve all other traits of an individual along with the academic knowledge to become a better entrepreneur. The speaker shared her success story and challenges faced during the initial phase of set up. The session explored upcoming Opportunities in various sectors or industry domains for entrepreneurship. It was a good experience for all the students who attended the workshop and gained new knowledge beyond the curriculum. Her speech was followed by a question answer session in which students get their doubts solved. This Workshop was coordinated by Prof. Sneha Sankhe and Prof. Sonali Karthik.

Department of Information Technology

Report of Webinar on Integrated Approach in Science and Technology for a Sustainable Future

Topic Integrated Approach in Science and Technology for a Sustainable Future

Date 28th of February, 2022

Venue Online mode, MS Teams platform.

On the occasion of National Science Day, the Department of IT engineering in association with IIC and IQAC arranged a webinar on Integrated Approach in Science and Technology for a Sustainable Future which was held in an online mode on 28th of February, 2022. The session was attended by 240 students. The theme for National Science Day 2022 is Integrated Approach in Science and Technology for a Sustainable Future.

Objectives: The aim of this webinar is to bring awareness to students about the importance of science in our daily life and to encourage students by popularizing science and technology.

Benefits: It has created interest about Science and technology in students minds. It has ignited the students interest in Science and growing technology and also appreciated the contributions of many scientists to India's growing technology.

Webinar was conducted by the department of IT. The session started with the greetings of International Science Day to the audience. Students gave their presentations on topics such as the invention of Raman effect to how the integration of science and technology can bring a sustainable future. Students also did the poster presentation on the same. Session ended with the vote of thanks.

This Webinar was coordinated by Prof. Sneha Sankhe and Prof. Sonali Karthik.

28th Feb. 2022

INSTITUTE INNOVATION COUNCIL (IIC)

Agenda of the meeting

Date: - 28th Feb.2022

Time: - 11:00 AM

Venue:- Theem Conference Room

Agenda Points:

1. Discussion on Quarter III & IV IIC activity & Celebration activity for academic year 21-22.
2. Planning on activity related to Start-up, Entrepreneurship development.
3. Arrangement and Planning of Internship activity at different industries.
4. Discussion on cycle -1 NAAC preparation and AQAR 3 submission.
5. Discussion on Theem 2022 National level conference.

28th Feb. 2022

INSTITUTE INNOVATION COUNCIL (IIC)

Date: - 28th Feb.2022

Venue: - Theem Conference Room

Meeting of Institution's Innovation Council (IIC), was called by IIC President 28th Feb.2022. IIC president welcomed all the members of IIC. The president explained agenda, which was taken for discussion.

The following members was present.

Sr.No.	Name of Member	Key Role
1	Prof. Rajesh Patil	Convener & Start-up Activity Coordinator
2	Prof.M.A.Gulbarga	IPR Activity Coordinator
3	Prof. Wasim Khan	Innovation Activity Coordinator
4	Prof. Raees Ahmed	Internship Activity Coordinator
5	Prof.K.N.Attarde	NIRF & ARIIA Coordinator
6	Prof.Imran Siddiqui	Social Media Coordinator
7	Prof. Sneha Sankhe	Member
8	Prof. Saleem Choudhary	Member
9	Prof.Aqsa Shaikh	Member
10	Prof.Muhib Lambay	Member
11	Prof.Ehatesham Ahmed	Member

Resolution 1. It is resolved to conducts events by all the department in sync with Innovation, Entrepreneurship, Start-up, IPR and Internship activities of Quarter III & IV. It is resolved to motivate and encourage students to take up innovation projects.

Resolution 2. It is resolved to motivate students for Start-up and Entrepreneurship.

Resolution 3. It was proposed by Prof. Raees Ahmed (Internship Activity Coordinator) to reach maximum industries and get their permission for internship. It is also resolved to adopt online internship for students wherever possible.

Resolution 4. It is resolved to prepare for cycle-1 NAAC preparation and AQAR 3 submission before deadline.

Resolution 5. It is resolved to prepare for Theem 2022 ,2nd National level conference.

The meeting concluded with vote of Thanks.

Report On Celebration of “National Technology Day”

Objectives:

- (i) Creating awareness among students the about historical importance of National Technology Day in India.
- (ii) Giving exposure to the different technologies available today for future generations.

Outcomes:

- i. To understand an integrated approach in science and technology for sustainable future.
- ii. To know the achievements of India's technical advancements in the field of science and technology

The Computer Engg. Dept., in association with IQAC, IIC, Theem College of Engineering, Boisar organized a webinar on **National Technology Day on 11th May 2022**. To create awareness among the student's community.

The program started at 11:00 am with the invocation & recitation of Holy Quran by **Prof. Shariq Ahmed Shaikh**, of Mechanical Engg. Dept. The speaker was introduced by the Hoist of the event **Prof. K.N. Attarde**, HOD, Computer Engineering Dept. with a brief achievement.

The speaker of the session **Dr. Najmuddin Amer**, Professor, Department of Computer Engineering explains the needs for celebrating of National Technology Day. During the presentation, the speaker gives the brief chronological about the achievements of the scientists who were involved in the mission of Pokhran-I and Pokhran-II, Hansa-3, Trishul missile testing and how India got its elite membership of being the sixth nuclear capabilities nation. Speaker also explains about the how one can get the funding for research and development from **Technology Development Board** under Government of India. The

National Technology Day is symbolic of our quest in scientific inquiry and technological excellence, and a translation of that quest into an integrated scientific, societal and industrial approach. It marks not only our technological innovations but their successful commercialization making the fruits of painstaking research available to the people at large. The speaker called upon all technocrats & scientists in various institutes to come together to do brainstorming for finding solutions in the coming days in the context of 'Make in India' & 'Startups India' programme a success.

The Chief Guest **Mr. Azeem Mohammed Iqbal**, (B. Tech Electrical Engg., IIT, Kharagpur, MBA IIM Lucknow) Founder and CEO, MilliAmps Energy Solutions, Sunrack Technologies (Solar Power System) was introduced by **Prof. K.N. Attarde**, HOD, Computer Engineering Dept. with his brief profile. During the presentation, the chief guest explains about the different technologies available today and how one can harness the benefits out of it. He stressed on research and the usage, future prospects of non-conventional energy resources specially solar power and wind energy.

Some participants gave their feedback and expressed their overwhelming response to attend these kinds of program in near future. At valedictory **Prof. K. N. Attarde** has given vote of thanks.

A Report on “Process of Innovation Development & Technology Readiness Level (TRL)”

Objectives:

1. The main objective of this webinar was to discuss –Generating Ideas, capturing ideas, beginning innovation, developing a business- effectiveness strategy, Applying Business Improvement, and Decline.
2. To inculcate creativity and innovativeness in our students.

Outcomes:

1. Students were able to understand importance of “Process of Innovation Development & Technology Readiness Level (TRL)”, and its advantages.
2. Students were able to understand the importance of technology assessment.

A webinar on “Process of Innovation Development & Technology Readiness Level (TRL)” was held on 3rd March 2022. Mr. Yogesh Karunakar, Head EDC, IIR Labs K. C. College of Engineering was the guest speaker.

In his address Mr. Yogesh Karunakar explained the process of the innovation development and its stages. Citing an example of final year project and keeping users in mind at every stage of process. Mr. Yogesh Karunakar, elaborated the process of technology readiness and commercialisation of the technology. Technology Readiness Levels (TRLs) are a method for understanding the technical maturity of a technology during its acquisition phase. TRLs allow engineers to have a consistent datum of reference for understanding technology evolution, regardless of their technical background.

Further, Mr. Yogesh Karunakar explained how the technology transfer from innovator to industry takes place.

The session focussed on the innovation development and understanding technology readiness level, manufacturing readiness level and investment readiness level. A technology assessment is needed to determine the technology is ready or not to be commercialized. An approach has been used to assess the readiness of technology, namely Technology Readiness Level (TRL) adopted from NASA.

Prof. Nirajsingh Yeotikar, welcomed and introduced the speaker while Prof. K. N. Attarde proposed the vote of thanks.

Office Order cum Circular

Subject: - Appointing as a Coordinator / Member of IIC Cell

The following coordinator and members are appointed as IIC Committee from the date of 13 July, 2021.

They are advised to take all the necessary steps to improve innovation activities.

Sr.No.	Name of Member	Key Role
1	Prof. Rajesh Patil	Convener and Start-up Activity Coordinator
2	Prof.Ayub Gulbarga	IPR Activity Coordinator
3	Prof. Wasim Khan	Innovation Activity Coordinator
4	Prof. Raees Ahmed	Internship Activity Coordinator
5	Prof.K.N.Attarde	NIRF & ARIIA Coordinator
6	Prof.Imran Siddiqui	Social Media Coordinator
7	Prof. Sneha Sankhe	Member
8	Prof. Saleem Choudhary	Member
9	Prof.Aqsa Shaikh	Member
10	Prof.Muhib Lambay	Member

A Report on 'exhibition cum poster presentation of Business Plan'

Objective:- To Inculcate a culture of product innovation and a mindset of problem solving among the students.

Outcome:- Various tangible and intangible elements of exhibition helped them to elevate their potential in various distinct domains

This event was organised to provide a platform for students to solve some of the pressing problems and To Inculcate a culture of product innovation and a mindset of problem solving among students.

There were more than 45 teams and 160 students have participated. Senior faculties from various department were invited as judge to evaluate the idea solution and its implementation and other parameters to specific problem statements demonstrated by several competing teams of students and selected the top 5 teams as winner. The rigorous evaluation process and feedback done by all the jury members were really helpful for the teams to understand their shortcomings and solution improvement. Jury members congratulated all the team members and gave them best wishes for the upcoming event.

All the students expressed that it was a unique opportunity in their life and experiences gained throughout the development process since the launch of problem statements, until the declaration of the results was amazing. This kind of events should be repeated every year since it aids in improving their intellectual capacity and developing a healthy innovation culture in the campus.

A Report on 'Internal Hackathon 2022'

Internal THEEM Hackathon 2022 Event of Smart India Hackathon (SIH) 2022 was conducted in Theem College of Engineering on 12th April 2022. Senior faculties from various department were invited as judge to evaluate the idea solution and its implementation and other parameters to specific problem statements demonstrated by several competing teams of students and selected the top teams to be nominated for SIH 2022 registration for final competition at National level. More than 50 teams and 190 students have participated in the internal Hackathon. Students have participated enthusiastically and presented their solution to the Jury members. The evaluation process was done with solution presentation as per the SIH 2022 format and students demonstrated the basic functionalities of their solutions. The rigorous evaluation process and feedback done by all the jury members were really helpful for the teams to understand their shortcomings and solution improvement. Jury members congratulated all the team members and gave them best wishes for the national level Smart India Hackathon 2022 event.

Tables shows classification of idea/solution category wise submitted at internal THEEM Hackathon 2022.

Category	No.of Idea / Solution
Hardware	39
Software	13

Jury Panel :-

Name of the Jury	Designation of Jury	Department
M.A.Gulberga	Associate Professor	Mechanical Engg.
Wasim Khan	Assistant Professor	Automobile Engg.
Harshal Ahire	Assistant Professor	Mechanical Engg.
Iqbal Mansuri	Assistant Professor	Mechanical Engg.
Dr.Najmuddin Aamer	Professor	Computer Engg.
Sneha Sankhe	Assistant Professor	IT Engg.
K.N.Attarde	Associate Professor	Computer Engg.
Rahatullah Khan	Assistant Professor	Electrical Engg.
Faiz Mohd.Khan	Assistant Professor	Civil Engg.
Ansar Sheikh	Assistant Professor	Civil Engg.

The criteria for judging the idea/solution is shown in below table

Key Attributes	Description	Score
Idea	How unique or creative is the concept of the project/product/solution?	10
Implementation	How effective is the technical approach and implementation of the project/product/solution?	10
Functionality	How well the project/product/solution in terms of its claimed functionality?	10
Design	How well the project/product/solution is designed and polished?	10
Presentation	Does the presentation clearly define and address the project/product/solution?	10
Total		50

INSTITUTE INNOVATION COUNCIL (IIC)

Date: - 21st Oct.2021

Venue: - Theem Conference Room

Meeting of Institution's Innovation Council (IIC), was called by IIC President 21st Oct.2021. IIC president welcomed all the members of IIC. The president explained agenda, which was taken for discussion.

The following members was present.

Sr.No.	Name of Member	Key Role
1	Prof. Rajesh Patil	Convener & Start-up Activity Coordinator
2	Prof. Ayub Gulbarga	IPR Activity Coordinator
3	Prof. Wasim Khan	Innovation Activity Coordinator
4	Prof. Raees Ahmed	Internship Activity Coordinator
5	Prof. K.N. Attarde	NIRF & ARIIA Coordinator
6	Prof. Imran Siddiqui	Social Media Coordinator
7	Prof. Sneha Sankhe	Member
8	Prof. Saleem Choudhary	Member
9	Prof. Aqsa Shaikh	Member
10	Prof. Muhib Lambay	Member
11	Prof. Ehatasham Ahmed	Member

Resolution 1. It is resolved to conduct events by all the department in sync with Innovation, Entrepreneurship, Start-up, IPR and Internship activities of Quarter I. It is resolved to motivate and encourage students to take up innovation projects.

Resolution 2. It is resolved to motivate students for Start-up and Entrepreneurship.

Resolution 3. It was proposed by Prof. Raees Ahmed (Internship Activity Coordinator) to reach maximum industries and get their permission for internship. It is also resolved to adopt online internship for students wherever possible.

Resolution 4. It is resolved to prepare for cycle-3 NAAC preparation and AQAR submission before deadline.

The meeting concluded with vote of Thanks.

New conditions for innovation

- Small start-up entrepreneurs increasingly depend on large firms:
 - as suppliers or customers
 - for venture finance,
 - for exit opportunities,
 - for knowledge (production, markets and R&D)
 - and for opening new markets.

Innovation in entrepreneurship

Innovation = Invention x Commercialisation

Innovative Ideas are what separates you from the rest in this competitive world

- The Goal should be beyond an average startup
- To create an outstanding product, a strong brand and to create a customer network, one needs to innovate

Technology Readiness Level(TRL)

- TRL 0** : Idea. Unproven concept, no testing has been performed.
- TRL 1** : Basic research. Principles postulated observed but no experimental proof available.
- TRL 2** : Technology formulation. Concept and application have been formulated.
- TRL 3** : Applied research. First laboratory tests completed; proof of concept.
- TRL 4** : Small scale prototype built in a laboratory environment ("ugly" prototype).
- TRL 5** : Large scale prototype tested in intended environment.
- TRL 6** : Prototype system tested in intended environment close to expected performance.
- TRL 7** : Demonstration system operating in operational environment at pre-commercial scale.
- TRL 8** : First of a kind commercial system. Manufacturing issues solved.
- TRL 9** : Full commercial application, technology available for consumers.

About The College

H.J.Thim Trust, established **Theem college of Engineering** in 2009 at Boisar (E) with an objective of “Success through quality Education” for the development of youth who plays a decisive role in shaping the destinies of nation. The institute’s serene and tranquil surroundings create a carnival atmosphere to develop students overall growth in technical Education as well as humanities.

Theem College of Engineering is approved by AICTE, Government of Maharashtra and DTE, and Affiliated to university of Mumbai. The institute’s is awarded with B+ grade by NAAC.The institute’s is remote centre of IITB-NMEICT(MHRD,Govt.of India).The institute’s is emerged as the only premier Engineering college in Boisar (E) with and intake of 420 students in the following graduate engineering program,

- Computer Engineering
- Information Technology Engineering
- Electronics & Telecom Engineering
- Mechanical Engineering
- Civil Engineering
- Automobile Engineering
- Electrical Engineering
- Computer Science Engg.(AI & ML)

We Also Offer Diploma Engineering Program with 240 Intakes In,

- Computer Engineering
- Electrical Engineering
- Mechanical Engineering
- Civil Engineering

About IARA

Indian Academicians and Researchers Association (IARA) is an educational and scientific research organization of Academicians, Research Scholars and practitioners responsible for sharing information about research activities, projects, conferences to its members. IARA offers an excellent opportunity for networking with other members and exchange knowledge. It also takes immense pride in its services offerings to undergraduate and graduate students. Students are provided opportunities to develop and clarify their research interests and skills as part of their preparation to become faculty members and researcher. Visit our website www.iaraedu.com for more details.

PREFACE

The objective of conference is to inspire engineers, academicians to explore, integrate and evolve in the research direction through a forum. As all of us know that Technology is always a progressive phenomenon, the research can bring the remarkable transformation to cater for the society needs. To achieve this precious goal a national conference “Trends in Engineering Excellence and Metamorphosis-2022” has been scheduled on 10th, 11th June 2022 at Theem College of Engineering, Boisar providing the best avenue for the publication of research and development.

The THEEM- 2022 Conference will surely facilitate the participants to present, discuss and publish their recent research results and approaches which can develops new ideas to achieve the needs of emerging industry.

Without an effective coordination and support from many individuals and institutions, it is not possible to organize such kind of facilitation center for the researchers though which they can present the genuine research work. I would like to express my hearty and sincere thanks to the speakers of invited talks and contributory paper presentations. I wish to acknowledge the time and efforts taken by the expert reviewers of the journal for carrying out review of papers. I also acknowledge to all the members of different committees and co-conveners who carried out a lot of work to make this conference, THEEM-2022 a grand success. I wish all participants fruitful and effective interaction at the conference.

Thanks a lot

DR. SHAH AQUEEL AHMED

Design Science and Innovation

Series Editor

Amaresh Chakrabarti, Centre for Product Design and Manufacturing, Indian
Institute of Science, Bangalore, India

The book series is intended to provide a platform for disseminating knowledge in all areas of design science and innovation, and is intended for all stakeholders in design and innovation, e.g. educators, researchers, practitioners, policy makers and students of design and innovation. With leading international experts as members of its editorial board, the series aims to disseminate knowledge that combines academic rigour and practical relevance in this area of crucial importance to the society.

About The College

Theem College Of Engineering is promoted by the H.J.Thim Trust, which has been founded to educate and empower the youth who play a decisive role in shaping the destiny of the nation. The College is located at Boisar (East) in serene and tranquil surroundings and was established in the year 2009 with an objective to impart quality education to students in the field of Technology. Theem COE has emerged as the only Premier Engineering College in Boisar with an overall intake of 480 students in various fields of engineering. The college is offering graduate Engineering Program in,

- Computer Engineering
- Information Technology Engineering
- Electronics & Telecom Engineering
- Mechanical Engineering
- Civil Engineering
- Automobile Engineering
- Electrical Engineering

We also offer Diploma Engineering Program with 240 intakes in ,

- Computer Engineering
- Mechanical Engineering
- Civil Engineering

About IARA

Indian Academicians and Researchers Association (IARA) is an educational and scientific research organization of Academicians, Research Scholars and practitioners responsible for sharing information about research activities, projects, conferences to its members. IARA offers an excellent opportunity for networking with other members and exchange knowledge. It also takes immense pride in its services offerings to undergraduate and graduate students. Students are provided opportunities to develop and clarify their research interests and skills as part of their preparation to become faculty members and researcher. Visit our website www.iaraedu.com for more details.

Arc3D

Converting Imagination into Reality

Dated: 14th July 2021

To,
Start Up Centre,
Theem College of Engineering,
Boisar East.

Sub: Letter of Appreciation.

Respected Sir/Mam,

I, **Mr Gujarati Abdul Rehman**, a student of your respected institution as a **Founder & Director of 'Arc3D'** (an Additive Manufacturing Start Up dated **August 2019**) would like to express my deepest appreciation to the **Professors and The Start Up Center of Theem College of Engineering, Boisar** for their guidance, assistance & support to help me built my Start Up in the field of Additive Manufacturing (3D Printing). My startup Arc3D is now a well settled.

It was not possible to make this Start Up happen without your valuable & essential contribution. I was fortunate to them you on my side and would love to replicate the experience once more in future.

Thanking you.

Regards,

Gujarati Abdul Rehman,
Founder & Director,
Arc3D.

3. MINI PROJECT EXHIBITION 2019-20

Objectives:

Mini projects for Mechanical Engineering as well as Electrical Engineering students give an edge over the race of recruitment to work hard and to ensure a good career.

The importance of making mini-projects cannot be over stressed, experts say. In spite of employment practices in recent times, students are progressively taking up mini-projects to pad up their skill-set, they add where students have been placed in their third year before the final-year project.

Description:

Students can gain practical knowledge. In spite of theory concept you acquire, various industries also need to know your capacity to complete projects using your specific initiative. So, we recommend students do mini engineering projects in their third years of engineering and try to present as many white papers as possible in the engineering third year. The following steps are the most important reasons why students should give more importance to mini projects.

Currently, engineering students show interest in making mini projects as they realize the value of practical training. But due to the software boom, until newly final year projects were not reserved seriously both due to the allowance given to them and also students had previously been employed by the time they came into the final year. And also, there are many students telling that with the few internship, making mini projects students can gain practical knowledge.

H. J. THIM TRUST'S
THEEM COLLEGE OF ENGINEERING
Approved By AICTE (New Delhi), Government of Maharashtra & DTE, Affiliated To University of Mumbai & MSBTE. Estd. 2009
NAAC Accredited with B+ Grade

SAEINDIA
Society of Automotive Engineers INDIA
COLLEGIATE CLUB OF THEEM COLLEGE OF ENGINEERING

Invites you to participate in

Mini PROJECT Exhibition 2019

Organized by
DEPARTMENT OF MECHANICAL ENGINEERING

Venue:
A-327, Quality Training Centre, 3rd Floor

on
10th April, 2019

Outcomes and Achievement:

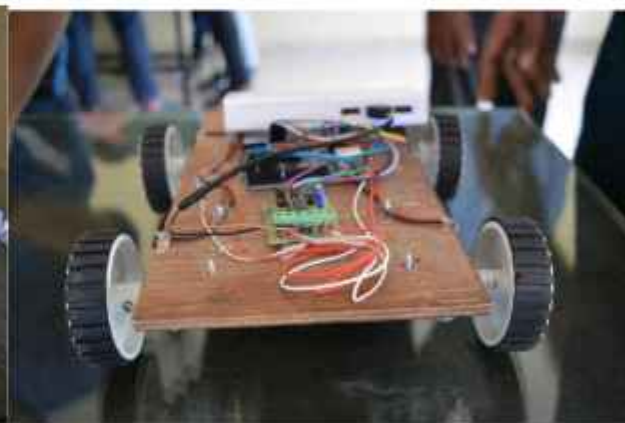

Mechanical Engineering and Electrical Engineering Mini Projects:

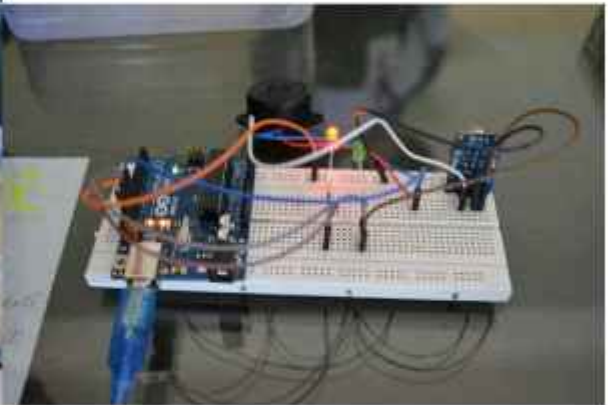

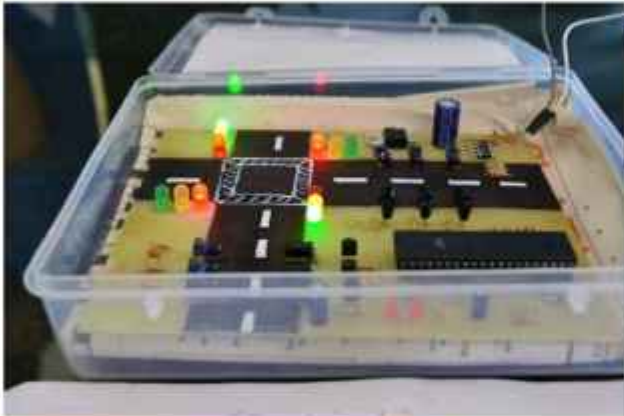

1. **“Rocker Boogie Mechanism”** from Mechanical students has won the mini project exhibition competition 2019.
2. **“Wall Climbing Robot”** from Mechanical students has secured runner up–I in the competition.
3. **“Voice Controlled Car”** from Electrical students has secured runner up–II in the competition.

Winning Teams

Sr. No.	Project Title	Group Members	Branch/Year/Sem	Rank
01	Rocker Boogie Mechanism	1) Mr. Ansari Ahmedraza 2) Mr. Ansari Dayan 3) Mr. Bisht Rahul 4) Mr. Jiggeshprasad Gupta	MECHANICAL/TE/VI	1 st Winner
02	Wall Climbing Robot	1) Mr. Kunal Agre 2) Mr. Shreyas Bagwe 3) Mr. Daywat Bari 4) Mr. Gangasagar Chauhan	MECHANICAL/TE/VI	2 nd Winner
03	Voice Controlled Car	1) Mr. Yogesh Gharat 2) Mr. Nilesh Chauhan	ELECTRICAL/TE/VI	3 rd Winner

- List of the following mini projects from Mechanical and Electrical students have participated in Mini project Exhibition April 2019.

Sr. No	Title of Mini project	Branch
4	Fire Fighting Robot	Mechanical
5	Two way Visitor Counter	Mechanical
6	Density Based Traffic Signal Control	Electrical

Permission Letter

Date: 14th March 2019

To
The Principal
Theem College of Engineering
Boisar

Subject: Seeking permission for **Mini Project Exhibition 2019**

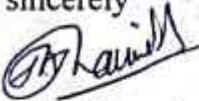

Respected Sir

I Prof. Shakir Hussain coordinator **Mini Project Exhibition** held under the Banner of **SAEINDIA COLLEGIATE CLUB OF THEEM COLLEGE OF ENGINEERING** organized by Department of Mechanical Engineering on **10th April 2019** for the benefit of Students of FE, SE, TE, BE. The main objective of this activity is to enrich and support the ["Course Outcome"/ "Program Educational Objective"].

I request you to give us permission for the **Mini Project Exhibition 2019**.

With best regards

Yours sincerely

Prof. Shakir Hussain

Coordinator

Prof. Pramod Maurya

Head of Mechanical

Dr. A. A. Shah

Principal

Thanks Giving

Date: 10th April 2019

I wish to express our gratitude to our Chief Guest Director Dr. N. K. Rana for being with us on this event. Your presence and gentle words are a source of encouragement for all of us. Thank you so much sir.

From the depth of our hearts, I thank our Guest of Honour Principal Dr. Aqueel Ahmed Shah for all words of wisdom that radiated a source of energy within us. Thank you so much sir.

I would like to thank all of the judges who played such an important role in helping to make the Mini Project Exhibition a remarkable and extraordinary success. I would also like to thank and recognize H.O.D of Electrical Department Prof. Elahi Shaikh and Senior Faculty Member of I.T. Department Dr. Najmuddin Aamer for his invaluable support in coordinating and guiding the judging process prior to and during this event. Thank you so much sir.

I thank to Prof. Rahatullah Khan Electrical Department for their un-stinted support for this function. Thank you so much sir.

My heartfelt thanks to our Head of department Prof. Pramod Maurya and the faculty for their valuable contribution, guidance and encouragement in all our efforts. I owe special gratitude to the non-teaching staff, who have worked hard to ensure that this occasion becomes a memorable success.

Regards

Prof. Shakir Hussain
