3.4.2 Awards and recognitions received for extension activities from government / Government recognized bodies

Institute has been involving in several extension activities to serve the surrounding as well as the nation since its establishment. These activities are governed by NSS for social works, Intellectual property rights (IPR) team of the institute for technical advancements, Institution's Innovation Council (IIC) in collaboration with AICTE team for Higher Educational Institutions (HEIs) to systematically nourish the culture of innovation and start-up ecosystem in education institutions. Due to the active participation in the activities organized by these bodies our institute has gained many awards. The awards and recognitions received for our extension activities from government and government-recognized bodies are a source of pride and inspiration for all of us. These reaffirm our commitment to serving our community, upholding national values, and contributing to the collective well-being of society. Some of these awards are as discussed below.

For keeping the cleanliness and greenery in mind for better and healthy working environment, our institute arranges many cleaning and plantation activities. Due to these efforts, we have awarded with "Green Campus Award" in 2023. In addition, Theem COE received incredible achievement award for tree plantation of 600 saplings in Navapur by Pal Fashions Pvt Ltd.

In the field of cleanliness, a volunteer of institutes' NSS team named Jhanvi Shirodkar did a nice performance in a competition 'Swachh Shahar Sundar Shahar' which was organized by Lions club of Palghar on the occasion of Gandhi Jayanti. For her extra ordinary performance, she was awarded with first position.

In the field of academic research, our four students were selected for best paper award in the THEEM-2023 international conference organized in April-2023. These achievements are meant for the active participation of the institute in extension activities which is highly expected from any educational institute.

For human welfare, our NSS cell performed a number of activities in which Blood donation was recognized as one of the best activities performed. This activity bagged an award with the 'Certificate of Pride'.

Due to better education policies, the institute is recognized as best emerging engineering college with academic excellence in Maharashtra. For being the academic excellence center, our institute has been awarded with the certificate namely 'Pride of nation Awards 2022'.

In 2018, for innovating idea of Solar dryer, a group of four students (Sagar Yadav, Nikhil Sahu, Aadesh Maral) were awarded with certificates. The award was given by the agency namely Vortex 2018, ICT Mumbai.

As we continue our journey of social responsibility and civic engagement, we remain grateful for the recognition bestowed upon us and are motivated to further our efforts in creating a brighter, more inclusive future for our nation.

Boisar

Respected Sir,

We would like to introduce ourself as a charitable association named as Tarapur Malayalee Samajam doing welfare work to Malayalees and other poor people's resided in & around the area of Boisar, Dist. Palghar, Maharashtra.

In the month of August 2018,Kerala was effected very badly due to heavy rain resulted in flood situation leading to loss of life and property to the people of Kerala, we as a charity organization did our best to help Kerala.

The help provided by donating Clothes, food materials and groceries by your NSS students was really remarkable ,a single word thanks would not be enough for the help and support provided by the NSS Students of THEEM College of Engineering, Boisar.

Once again thanking you and we expect this support from your side in future.

Thanking You

Yours Faithfully

For Tarapur Malayalee Samajam
