## Report on Alumni Guest Lecture

Event: Alumni Guest Lecture on "Development in Grinding Machines for Foods and Chemicals"

Speaker: **Mr. Aamir Shaikh** (Director, Grade & Grind Technologies Pvt. Ltd.)

Date: 12<sup>th</sup> Oct 2022

Timing: 10 AM to 12 Noon

Venue: Seminar Hall, 3<sup>rd</sup> Floor, Mechanical Engineering Department

On 12<sup>th</sup> October 2022, **Alumni guest lecture** was organized in Mechanical Engineering Department, Theem College of Engineering. It was facilitated with **Mr. Aamir Shaikh**, Director of Grade & Grind Technologies Pvt. Ltd. It is a quality and customer oriented manufacturer and exporter of size reduction equipment for food industry, flour industry, spice, pharmaceutical, mineral and plastic industries. Apart from the size reduction, it is also a manufacturer of cleaning, drying, roasting, blending and sieving system.

Mr. Aamir Shaikh is an alumnus of 2015 Batch from Mechanical Engineering, Theem College of Engineering, Boisar. The lecture was organized to motivate and discuss the challenges of program was introduced with Mr. Aamir and his journey in establishing an entrepreneur company with innovative idea of designing the grinding machines

During question hour session, the enthusiastic participants asked several queries and doubts regarding their personal challenges for the resource allocation and monetary support.

The program ended with the signing of MoU between Theem College of Engineering and Grade & Grind Technologies Pvt. Ltd for five years (12<sup>th</sup> Oct 2022 to 11<sup>th</sup> Oct 2027). The keys agreements of MoU were that G&G Pvt. Ltd. will cooperate for students for further training and learning skills.

Around 40 B.E. students from mechanical department attended the program. Apart from this, around 30 to 40 students from civil and automobile department also joined the program for their interest. Students get highly motivated towards their future endeavor and pledged to put their all effort to achieve the success. The event coordinator of the webinar was Dr. Minhaj Hashim and the event convener was Prof.

Mohammed Wasim Khan, HOD, Mechanical Engineering. The program was concluded with Vote of thanks delivered by Prof. Mohammed Wasim Khan.

## Action Taken Report

### Academic Year 2022-23

#### Report of the actions taken as per the syllabus review by stakeholders

Sr. No	Stakeholder	Feedback	Action Taken
1	Students	Syllabus should include practical based approach and more weightage must be given to projects.	Students are motivated to develop mini projects in individual subjects and were also guided regarding advanced technologies by conducting SDPs.
		Internship must be encouraged.	Students were encouraged to take up internships during vacations and also signed MoUs with EdTech firms for the same.
2	Teachers	More emphasize to be given on innovative methods & current developments	To correlate the syllabus with industry requirements, faculties attended several FDPs on recent technologies to impart the learning.
3	Alumni	Industry oriented knowledge and learning scheme should be implemented	Add-on courses or SDPs conducted to impart industry-oriented learning.
		Placement Activity needs to be improved.	Working on Training & Placement of Students by collaborating with industries. Also conducted Campus recruitment Training session.
4	Employer	Candidates should be trained as per current industry requirements.	Industrial visits were organized and students were motivated to take up internship to explore industry environment.
		Candidate's soft skills and technical knowledge should be enhanced.	Campus recruitment Training sessions were conducted.
