E-Governance Policy

CONCEPT

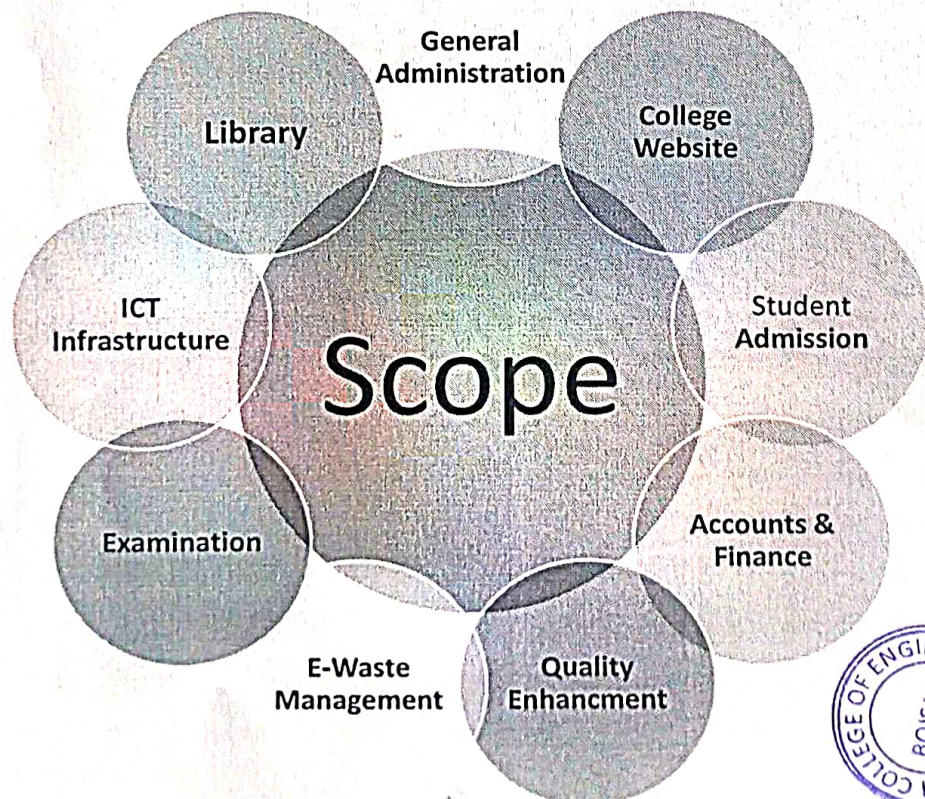

Technology has been a boon to academic institutions in the field of education, which helps to streamline governance systems and maintain a better quality of education. Good governance can be termed as the ability to address the challenges and need of the current situation.

E-Governance policy of an institution is for the purpose of enhancing the system of governance for development of institute through new and advanced technologies. It aims at planning and enabling any infrastructure for the deployment of cutting-edge applications and deployment of solutions for seamless administration of the institute. Keeping in view the need of the day. Theem College of Engineering has designed an e-governance policy with the primary objective of implementing e-governance in various operations, transactions and services of the institution for better efficiency, transparency and accountability. The college priorities to adopt paperless administration as a green initiative. To ensure green and clean campus, as one of the components of the college, it adopts e-governance in all its management and administrative activities. All stakeholders are oriented and encouraged to practice e-governance. This policy shall apply to the administration, Finance & Account, Student admission, Examination and many such sections of the institute. Having an e- governance system will aid in the integration of all of the institution's stakeholders as well as the automation of many functions. It will also add a layer of transparency to the process. The college management team recognizes the importance of having an e-governance system in place to coordinate the college's administration as it grows into a well-known institution of higher learning. It will aid in the integration of all of the institution's stakeholders as well as the automation of many functions.

OBJECTIVES

- Implementation of E-governance in effective functioning of the institution.
- Reduce the usage of paper in administration of the institution.
- To improve transparency and accountability.
- Providing online internal and external communication between various executive bodies of the institution.
- To achieve the aim of being an environmental and user-friendly institution.
- Facilitate easy access to the information and to maintain the data on a secure environment.
- To implement automation in library facility.
- Making the institution visible to the stakeholders globally by the use of digital media.
- To provide e-facilities to students, teachers, Alumni and Parents in various activities relating to the institution.
- Achieving paperless administration of the institution.

General Administration

The college administration is made paperless in order to give a hassle-free, convenient, and smooth process. Students must be able to get the most out of online services. The college investigates the possibility of automating some of its administrative duties. To keep administrative staff up to date with new technologies, proper training and development are offered. To automatically calculate the Internal Assessment marks for attendance, Monthly Reports and Semester End Reports should be prepared. Students can access information such as attendance, results, timetables, assignments, and other study tools. Attendance Management Software to be used by Administrative Staff and Teaching Faculty to record and track Attendance, Internal Assessment, etc. Monthly Reports, Semester End Reports should be generated to automatically calculate the Internal Assessment marks for attendance.

Administrative Office shall use Advanced Excel, google sheet and File Management System Tools to maintain effective database. The college will look into opportunities to automate some of its functions related to administration. To provide a hassle free, convenient and smooth process, administration of the college to be made paperless. Students must be able to obtain maximum services in online mode. Administrative Staff to be provided with adequate training and development to keep them abreast with the new technology.

College Website

The college website is the heart of the institution. It should act as a mirror of the college and all its activities. All the relevant data should be made easily available to the outsiders. Website shows the college activities and information about all activities, important notices etc. A service provider/web designer will be appointed for the purpose. Administrative and teaching staff will receive training on how to make crucial website upgrades. Along with it, training should be given to the existing staff and designated person/persons should be identified who will undertake the responsibility of website administration and upgradation at the college level. The website will serve as an information hub for the college, including all of its events, major announcements, and course offerings, among other things. The website of the college to be continuously updated taking into account the new changes.

Website shall be hosted and deployed by a third party on a secure platform. For the administration of the college website, a website committee will be constituted. On a regular basis, the Committee will oversee the process of updating, maintaining, and operating the website. The Committee will also examine for any other website updates that are needed. The College strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live on the website as and when they are released. The website of the college needs to be revamped taking into account the new changes.

Student Admission

An open and transparent strategy for the admission process is followed which is further strengthened by the ethical practices and regulations as opined by the Mumbai University. The College brings out its Brochure which is displayed on the website that has guidelines for the admission process. An Admission Portal to be used to manage the admissions in the college. Number of students applying to each course, withdrawals, fee submission, all to be managed through this Portal only. Students are required to submit a separate Online Application Form for taking admission to the college and for this purpose an online software to be used by the Admission Co-Ordinator. Institution to process admissions for programs using the portal. The admission process is conducted in an open and transparent manner, which is bolstered by the Theem College of Engineering ethical principles and rules. After each allotment, the students confirm their college selection and take admission in the allotted college onsite.

Accounts & Finance

The office continues to maintain its accounts on Tally ERP. Advanced features help the staff to maintain financial records effectively and efficiently. Profit and loss, Balance Sheet are generated through this software only. All the analysis reports to be generated through Tally ERP. Appropriate security measures should be taken for maintaining confidentiality of the transactions. Training to the existing staff and upgradation of the existing software must be done regularly. The College also

manage the funds received from the Government, Payroll Management which helps to automatically calculate the salary, generate salary slips, TDS, Provident Fund, Allowances, etc. all are managed through the Tally ERP.

Reports can be generated for all Staff members. Payments are generally made and received through online mode such as NEFT, RTGS, Bank Transfers, Net Banking etc.

Quality Enhancement

All the activities of IQAC and the cells and committees under it will be under the e-governance provisions. Feedbacks from the students, parents, teachers, alumni and employer shall be collected online and compiled and analyzed using ICT tools. Online provisions will be used to accomplish teachers and students exchange programs. Online provisions shall be used to increase the competitive zeal of the students, to orient students with different issues of the society, increasing capability of the students and increasing their in-out orientation. Increasing student's participation through organizing online seminar and workshop.

Library

The College continues to maintain its academic excellence through maintaining a well-stocked library. The College shall add more and more e-learning resources for the benefit of the teachers and the students. The College should maintain a frequent subscription to new periodicals and publications. While subscribing to e-resources, teachers and students are asked for recommendations. Teachers can apply to get books by various authors for the subjects they teach in order to expand their knowledge base. The library to install fully automated SOUL software which should have an easy to use- Graphical User Interface and export facility for most reports. The use of the software's Online Public Access Catalogue module to search library databases using selected phrases for information retrieval. The software's Circulation module should include all aspects of circulation, from building member records to printing warnings for overdue books. All database creation and maintenance tasks should be covered by the Database Maintenance module.

To encourage students and teachers to do unique work, the library should provide access to fully automated plagiarism detection software. The use of Online Public Access Catalogue module of the software to allow library database searching by entering preferred terms for information retrieval. The Circulation module of the software should cover all the operations of circulation, right from creating member records to printing of reminders for outstanding books. The Database Maintenance module should cover all operations of database creation and maintenance. The library shall create a separate section in college website where students and teachers can easily go through all the rules and regulations, services, e-resources, various informational links and question papers.

Examination

The college shall adopt an online system where students can view their total internal assessment marks at the end of each semester and can report discrepancies, if any. The Examination process is regulated by the University and thus e-governance policy of the University to be adopted in this regard. As per the directions of the University, it is mandatory to fill examination applications, revaluation applications, obtaining hall tickets, uploading of marks, etc. everything in online mode. Regular updates of Students Internal Performance to be maintained and communicated to the parents. Utmost secrecy and confidentiality need to be maintained while handling examinations and work needs to be done with utmost care and caution. College Examination Officer needs to supervise the entire process of examination under the guidance of the principal of the college.

ICT Infrastructure

The College to ensure that it has adequate number of desktops for students and staff. Computers and printers to be made available in the administrative block. Projectors and other multimedia devices to be provided in the auditorium, classrooms, seminar rooms and laboratories. The infrastructure to be complemented by computer networking devices, scanners and interactive teaching board/smart board etc. The College to maintain adequate configuration servers to allow fast transmission of data to the various computers. Office automation packages for desktops like Open Office, MS Office and Antivirus to be purchased and updated regularly. The college to provide access to all standard Econometrics, Statistical, computational and scientific typesetting packages. The installation and major maintenance of the ICT infrastructure required for e-governance shall be done by vendors duly selected. Some of the existing software modules for e-governance are developed in-house, and some are out-sourced. The college authority and the external vendors of software shall provide necessary maintenance and enhancement, as appropriate. As e-governance is based on computerization of the functions of different users and authorities, different categories of users must interact differently with the e-governance system. For instance, the nature of interactions by teaching staff and that of office assistants are different. The institute shall organize trainings for different categories of users for using the e-governance system.

E-Waste Management

With reference to Institutional Policy Document of Environment & Energy Usage, the institute has always been making utmost efforts to create a green and healthy environment for all the stakeholders as well as for the society. Use of technology is the need of the day but keeping a balance between the environment and the modernization is the actual challenge. The institute hence shall always try to ensure that all the usage of its technology and generation of e-waste does not impact the environment. Provisions shall be made for e-waste management accomplishing a memorandum of undertaking with an authorized vendor.

FUTURE PERSPECTIVE

- ↓ In order to provide simpler and efficient system of governance within the institution, it is decided to adopt and implement e-governance in maximum activities of our functioning.
- ↓ The institution has already started with e-governance in some aspects of functioning like library, accounts, admission, examination etc. But now we have resolved to implement e-governance in many more areas and with this aim in view we have drafted this policy framework.
- ↓ The future plan of the institute is clear in terms of including leave management of the teachers directly through website.

- This Workshop also generated awareness among the audience about striking and defensive techniques as well as guided on how one should tackle multiple attackers, react and deter the intents.

Report of the Program

The WEGRC in association with IQAC, IIC and NSS of Theem College of Engineering, has organized a workshop on “Women safety” on occasion of International Women’s day 2023 to spread awareness among girl students about their safety.

The program started at **11:30 am** with the welcome speech by Prof. Sonali Karthik. She also briefed the audience about the Theem IIC activities & its achievements.

Speaker of the session **Mr. Suresh Salunkhe, Assistant Police Inspector Boisar police station** briefed girl students that society is very much concerned about women safety but most women should make herself strong physically and mentally to face the challenges. He also briefed that the police department is always there to implement law and order and in case of need, the police department should be contacted immediately. He also shared helpline numbers among girl students.

In total **59 girl students and 8 faculty** members were present during the workshop.

Strategic Plan-IQAC

Objective 1: Facilitating Industry Institute Interaction Programmes to explore employability by internship, industrial projects and field work through MOUS collaborating with industry and research organizations.

- Institute and departmental level collaborations and MoUs, in the respective areas for internship, guest lecture, employable skill development, consultancy etc.
- Regularly arrange the industry visit to inculcate industry and field knowledge.
- Facilitate to make available industry level live projects, to understand Industry requirement and the challenges.
- Collect feedback from industry expert to assess and reduce the gap between industry and academy.

Objective 2: To improve infrastructure and resources continuously to enrich the teaching learning process.

- To continuously upgrade ICT Initiatives, Smart class, Web, Internet, and LAN etc.
- To upgrade course laboratories in accordance to syllabus and latest technology.
- To ensure effective utilization of MOODLE, ICT, and learning infrastructure.
- Mentor Mentee to counsel students, Curriculum Implementation and Assessment Report (CAIR) and Academic Audit Reports, are planned to fulfil target and attainment.
- To Strengthen Research funding activities through Industrial and Research Projects.

Objective 3: To provide platform to students to test and implement, to innovate, patent, their ideas, and skill empowering.

- Theem Excellence Centre, State of art facility to train on advanced automobiles.
- Theem Makers' Vector, State of art workshop to support project-based learning.
- Theem R&D and IPR Cell. to support baby innovations, researches and patenting.
- Theem Entrepreneurship and Start-up Centre, encourages for entrepreneurship and to nurture the student ideas.
- Theem Industry Ready Quality Training Centre. State of art facility to empower employability skill.

Deployment of Perspective / Strategic Plan

The institute's perspective plan enriches teaching-learning process continuously to strengthen the core values as well as to improve infrastructure and resources. The institute focuses on skill-based education to develop academic and administration tasks. The institute continuously upgrades ICT and added SMART class facility. ICT ensure effective utilization of teaching-learning infrastructure. Every faculty of the institute uploads study materials like notes, PPTs, Assignments, NPTEL Video links, NPTEL PDF Links, other Video links, Virtual lab links, research papers links, case studies, objective type questions, list of modules and simulations links, links of MOOC, list of Industries related to subjects on Google Classroom which are related to the course and students access it at any place through internet. Feedbacks are taken from internal stakeholders on Google classroom and through Google Sheet, etc.

Mentor-Mentee System to counsel students, Curriculum Implementation and Assessment Report (CIAR), and Academic Audit Reports are planned to fulfil the target. To reduce the gap between industry and institute, the institute conducts Industry Institute Interaction Programmes. This programme explores employability, internship, industrial visits and industrial projects through MOUs. It inculcates students the industry and field knowledge to avail industry level live projects to experience industry challenges.

The institute has developed an ecosystem to inculcate research culture, innovation and patenting, employability enhancement and entrepreneurship among students. The components of ecosystem are:

Theem R&D and Intellectual Property Rights Cell (TRD&IPR) - "Patent your innovation".

Theem Excellence Centre Automobile (TECA) - "Enhances your knowledge".

Theem Entrepreneurship and Start-up Cell (TESC) - "Ignites the innovation".

Theem Industry Ready Quality Training Centre (TIRQTC) - "Empowers employability".

Training and Placement Cell (T&P) - "Assists placement endeavours".

Institution's Innovation Council (IIC) - "Excellence through innovation"

Plan of Action for Academic Year 2022-2023

1. In the series of Conference "Trends N Herald in Engineering and Metamorphosis (THEEM)", the institute plans to conduct an international conference THEEM-2023 in the next academic year.
2. Plans to conduct Faculty Development Program to enhance the pedagogical skill of the staff.
3. To conduct "Students Development Program" on group discussion, training for interviews etc. to bridge the gap between industry and education. Also to continue with the superset platform for evaluating the students.
4. It is planned to conduct various activities under the purview of Institute Innovation Council (IIC).
5. To apply for National Institute Ranking Framework (NIRF 22), Atal Ranking of Institutions on Innovative Achievement (ARIIA), etc.
6. To start honours course on "Data Science" as per Mumbai University guidelines.
7. A workshop on "Quality Assurance in Higher Educational Institutes (HEI's) by using Open Educational Resources (OER)" to be arranged for faculty sponsored by NAAC.
8. To motivate students to take advantage of various online courses like NPTEL, SWAYAM, FOSSI etc.to increase certification.

**INTERNAL QUALITY ASSURANCE CELL
ACTION TAKEN REPORT 2022-23**

1. Conduction of Academic Audit:

Internal Academic Monitoring Committee (IAMC) regularly conducted meeting to check and review academic progress and suggested pedagogical methods to improve the students learning. Course files with records of all students' academic progress were duly maintained.

2. Conduction of Conference:

In the series of National Conference "Trends N Herald in Engineering and Metamorphosis (THEEM)", the institute successfully conducted the conference THEEM-2023 on 28th-29th April 2023. More than 200 papers were received, among them 102 papers were selected for oral presentation and were published in the proceeding of the conference (ISBN No.978-93-5811-637-3). 16 high quality papers were referred to UGC approved journals:

- ICTACT Journal on Soft Computing
- ICTACT Journal on Data Science ad Machine Learning
- ICTACT Journal on Microelectronics

3. Conduction of NAAC sponsored Workshop:

A national workshop titled "Quality Assurance in Higher Educational Institutes by using Open Educational Resources" was held at Theem College of Engineering, Boisar on 9th and 10th June, 2023. Over 100 teachers from higher-educational institutes from all over India, both offline and online, participated in the event which was sponsored by the National Assessment and Accreditation Council (NAAC). Various open educational software like Latex, Scilab and Linux ware presented by eminent teachers, also hands on practice was delivered in the afternoon session.

4. Student and Faculty Development Programs:

FDPs were organized by IQAC to boost the academic qualities of teachers:

- Faculty Development Program on "Data science using Python"(2.1.23 to 6.1.23)

Organized by AIML department with no of participants 30. This program helped the faculties to acquire knowledge about the course, which will be helpful for them in the teaching learning process.

b) Faculty Development Program on "Solid Works Advanced Practices"(2.1.23 to 6.1.23)

Organized by Automobile department, no of faculty benefitted was 12. The program aimed for skill development and succeeded in achieving its goal.

These programs were very much beneficial to faculties and helps them in their progression in teaching learning techniques.

SDPs were organized by IQAC to spread knowledge and improve academic qualities of students:

a)Students Development Program on "Solid Works Advanced Practices"(29.12.22 to 6.1.23)

Organized by Automobile department, no of students benefitted was 30. The program focused on skill development of students and was greatly helpful.

b)Students Development Program on "Data science using Python"(30.1.23 to 3.2.23)
Organized by IT department with no of participants 70. The program spread the knowledge about this comparatively recent subject among students and immensely motivated them.

c)Students training program on Aptitude and Soft skills (19.6.23 to 26.6.23)

Training and Placement cell organized a students' training program for aptitude, group discussion etc. to boost employment possibility of students, in collaboration with Campus credential. 150 no. of students got trained and benefitted.

These programs were in a great way beneficial to students for their knowledge and skill enhancement.

5. Mentor-mentee Program:

Like every other year, this year too each newly admitted student is assigned a teacher mentor to keep an eye on his academic progress. Mentors keep regular interactions with their mentees to be aware of their progress and any kind of problems they are facing. If required the higher authorities are also involved in solving the problems.

6. Activities of Institute Innovation Council (IIC):

Under the guidance of IQAC, IIC successfully conducted various programs to motivate students for start-up and innovation throughout the year.

a) MOE's IIC, IQAC and AICTE sponsored **Impact lecture series:**

On 15th July 2022, two sessions were conducted

i) "**Entrepreneurial Project Development**" by Prof. K.T.V. Talele

ii) "**Start-up culture in academic campus**" by Mr. Dinesh Israni

On 26th July, two sessions were conducted

iii) "**Think like an entrepreneur**" by Mr. Rahul. K. Jain

iv) "**Innovation driven entrepreneurship**" by Mr. Santosh D. Khawale

The series of lectures motivated the participants for innovation and entrepreneurship.

b) **Institutional Mentor-Mentee meeting with Mentors from D J Sangvi College**

Theem College of Engineering as one of the Mentee colleges of the mentor college D J Sangvi College, arranged for this meeting for guidance and collaboration. Different topics related to start-up and innovation were discussed in presence of all the students and faculty members of IIC, Theem College of Engineering, and the experts from the mentor college.

c) Following **workshops** by eminent personalities were organized to motivate students on the topics

i) **Build your start up** on 31.10.2022, speaker: Prof. Abdul Majid Ansari

ii) **Intellectual Property Rights and IP management for start-up** on 22.5.2023 Speaker: Prof. M A. Gulbarga

d) Expert talks were organized on the following topics

i) **Entrepreneurship** on 21.9.2022 by Dr. Divya Padmanabhan

ii) "**Process of Innovation development, Technology Readiness level, Commercialization of lab technologies and Tech-Transfer**" by Dr. Rajesh Bisane

e) Various days were celebrated

i) **National Energy Conservation Day** on 14 December 2022: Essay competition on the theme "Impact of Energy Conservation on Social Life" organized by Automobile department

ii) **National innovation day** on 15th October 2022: poster competition on "Innovation in daily life" organized by IT department

iii) **National Pollution Day** on 31st January: Cyclothon 2023

f) Organized an intercollegiate Hardware based mini project competition for students, organized by Mechanical department.

IQAC established an echo-system through IIC to strengthen Research and Development, Innovation, Start-ups and Entrepreneurships.

7. Outreach Activities:

IQAC through National Service Scheme (NSS) celebrated different days like Yoga day, Gandhi Jayanti, Independence Day, Republic Day etc. NSS also celebrated Women day with a workshop for girl students and faculties on personality development and personal hygiene. Tree plantation, blood donation camp, Har Ghar Tiranga, Unity Run, Swachhata Abhiyan etc. were also organized on different occasions. NSS adopted a nearby village "Kukare" and ran a free eye camp there for villagers.

NSS activities were performed to spread social awareness, to reach out to disadvantaged members of the community, to build up ethical and moral sense among the students.

8. Submission of Reports:

The Institute performed all statutory requirements and submitted following reports on given time:

i) IQAC submitted AQAR4 report on: 5.11.2022

ii) AISHE report submitted on: 27.12.2022

9. Feedback from Stakeholders

Feedbacks were collected to review and improve academic and administrative process on the following aspects

- a) Student, Parents, alumni and employees for program improvement
- b) Students' feedback for improvement of teaching learning process
- c) Course Exit Survey and Program Feedback

The feedback data collected was analyzed by IQAC. The aspects pointed out by the stakeholders were considered and appropriate actions were taken to improve the teaching learning process.

10. Industry-institute interaction

- a) To strengthen the industry institute interaction the following MOUs are active and in place:

Sr. No	Name of the MoU / Collaboration / linkage	Name of the collaborating agency / institution / industry / corporate house with whom the MoU / collaboration / linkage is made, with contact details	Year of signing MoU / collaboration / linkage	Duration of MoU / collaboration / linkage (years)
1	Theem COE	Aqua Express Water Park Rides	2023	5
2	Theem COE	Institute of futuristic technology	2023	5
3	Theem COE	ALVIN IT Solution	2023	5
4	Theem COE	Grade and Grind Technologies Pvt. Ltd.	2022	5
5	Theem COE	Milliamps Energy Solutions Pvt. Ltd.	2022	5
6	Theem COE	Sunrack Green Technologies Pvt. Ltd.	2022	5
