About Institute

H. J. Thim Trust established Theem College of Engineering in 2009 at Boisar with an objective of "Success... through Quality Education" for the development of youths who plays a decisive role in shaping the destinies of nation. The institute's serene and tranquil surroundings create a carnival atmosphere to develop students' overall growth in technical education as well as humanities.

Theem College of Engineering is approved by AICTE, Government of Maharashtra and DTE, and affiliated to University of Mumbai. The institute is awarded with B+ grade by NAAC. The institute is a remote centre of IITB-NMEICT (MHRD, Govt. of India). The institute is emerged as the only Premier Engineering College in Boisar with an overall intake of 660 students in the following graduate engineering programmes –

- Computer Engineering
- Information Technology Engineering
- Mechanical Engineering
- Civil Engineering
- Computer Science Engg. (AI & ML)
- Automobile Engineering
- Electrical Engineering

In addition to this the institute has following diploma engineering programmes –

- Computer Engineering
- Mechanical Engineering
- Civil Engineering
- Electrical Engineering

The institute's well-maintained infrastructure, rich academic excellence and teaching-learning ecosystem steer students to achieve their engineering skills and career goals. To enhance multi-tasking growth, the institute equally focuses on co-curricular and extra-curricular activities which yielded university rank holders and winners of various technical and sports events.

About Conference

Technology is a progressive phenomenon where the academic research can bring the rate of transformation critically fast to cater the society needs. To achieve these needs, **Trends n Herald in Engineering Excellence and Metamorphosis-2023** (THEEM-2023) provides the best avenues for the publication of new researches and developments. After success of two national conference we are going ahead with first international conference.

The THEEM-2023 is an initiative to bring academicians, research scholars, industry experts and student community from various domains for knowledge exchange concerning current trends in engineering technology, science and humanities.

The THEEM-2023 facilitates the participants to present, discuss and publish their recent research results and approaches which develops new ideas and collaborations to achieve the needs of emerging industry. The conference also influences to learn the latest innovations and technologies to develop the future system.

Topics for International Conference

(Papers can be submitted on the following but not limited to)

Track 1-Computer Science/Information Technology

- Artificial Intelligence, Machine Learning and Deep Learning
- Big Data Analytics, Business Intelligence
- Block Chain Technology
- Cloud Computing
- Computer Networking and Security
- Database and Data Mining
- Digital India
- Distributed and Parallel Systems
- Grid Computing
- Green IT
- Natural Language Processing
- Recent Trends in IT

Track 2-Electrical/Electronics & Telecommunication Engineering

- Biomedical Engineering
- Digital Signal Processing
- Electric Drives and Control
- Image & Video Processing
- IoT Controlled Devices
- Micro Grid and Smart Grid
- Power Quality
- Power System Protection
- Renewable Energy
- Robotics & Automations
- VLSI & Embedded Systems
- Wireless Sensor & Networking

Track 3-Mechanical/Production/Automobile Engineering

- Advance of Automobile Engineering
- Agro-Farm Equipment
- Commercial Vehicle Technology
- Metallurgy and Manufacturing
- Noise, Vibration and Harshness Control
- Optimization Techniques
- Pollution Control
- Rapid Prototyping and CAE
- Robotics and Industrial Applications
- Recent trends in EV

Track 4- Civil Engineering

- Advance of Structural Engineering
- Disaster Management and Mitigation
- Environmental Engineering
- Geotechnical Engineering
- Highway and Pavement Engineering
- Innovative Concrete and Smart Material
- Remote Sensing and GIS application

Track 5- Applied Science & Humanities

- Applied Chemistry
- Applied Mathematics
- Applied Physics
- Communication Skills
- Library & Information Science

Submission of Full Paper:

The prospective authors are invited to submit full Paper (A4 size up to 6 pages) in the manuscript formats as per templates available at website.

<https://theemcoe.org.in/theem2023/>

OR

Submit your paper by email to: theem2023@theemcoe.org

1. Manuscript must be submitted on the understanding that they have not published this paper elsewhere and is not currently under consideration by any other conference/Journal.
2. All the authors should take care that the research paper should be their original work. If there is any issue of copyright and plagiarism then the author of research paper will be responsible. Before submitting your research paper kindly checks the plagiarism of research paper.
3. After expert view, author may asked to submit camera ready paper in doc & pdf format(should not exceeds 20MB), copyright form, registration form and scan copy of Demand draft/Cash receipt/Invoice copy by email as well as hard copy by post.
4. Faculty, student or any person from Industry & research scholar may participate in the conference.
5. Paper Format: Full paper should not be more than 6 pages and should be in Microsoft word format and PDF Format strictly.

Publications:

In conference proceeding e-book with ISBN. Quality papers will also be referred to Scopus Index ECI/SCI/Springer journals on extra payment basis.

Accommodation:

The accommodation will be available on payment basis by sending the request in advance. For more detail contact to:

Respected Sir,

This is to inform you that I have registered two NPTEL faculty development programs, namely Python for Data Science (4-weeks course) and Data Science for Engineers (8-weeks course), whose exams will take place on March 25, 2023, and March 26, 2023, respectively. I have paid registration fees of Rs. 1100/- for each of these two FDPs. So, the total amount paid by me is $(2 \times 1100) =$ Rs. 2200/- for both.

● Therefore, I request you to reimburse me for the amount that I have paid for registration. I have also attached the fee receipts with this application and am hoping to hear back regarding the request of mine.

Thanking you.

Subject: Request for Financial Support to Attend FDP on "Solid Works Advanced Practices"

Dear Sir/Madam,

We undersigned faculties are interested in attending an upcoming Faculty Development Program (FDP) relevant to our field in the Department of **Automobile Engineering** at Theem College of Engineering. The program focuses on the "Solid Works Advanced Practices from 2nd Jan 2023 to 6th Jan 2023"

Considering the financial aspects associated with attending such programs, We humbly request your support in granting permission and providing financial assistance to enable our participation in this FDP. Your support in this matter would greatly contribute to our professional development and ultimately benefit our department.

Thank you for considering our request. We look forward to your valuable cooperation.

MICROGRIDS

MASTER CLASS BY TATA POWER-DDL

An initiative of Tata Power-DDL to give exposure to Engineering College Students/freshers on niche current topic

Tata Power-DDL, India's leading Power Distribution Company, which is acknowledged globally for the deployment of cutting-edge technologies, practices and processes is organizing Webinar on Microgrids and application of microgrids in Electricity Distribution to enhance Power Supply.

**HURRY UP!!
EXCELLENT OPPORTUNITY**

Click below to register

REGISTER

Special Introductory per person Fee: Rs

499/- *

Highlights of the Webinar:

- Introduction to Microgrids
- Implementation of Microgrids in Power distribution network
- Distributed Energy Storage using Microgrids & Energy efficiency
- Tata Power-DDL's initiatives on implementation of Microgrids in Power Distribution

Date & Time

**Thursday - Friday
January 20-21, 2022
3:00 PM to 5:00 PM**

Webinar Theme

MICROGRIDS

Participation Certificates will be provided to all participants.

TRAINING METHODOLOGY

- The Online Training would be conducted on Tata Power-DDL's WebEx Event Platform
- Participants can attend the Training through any device like Desktop / Laptop / Tablet / Smart Phone

The Webinar would be conducted by a Subject Matter Expert, with vast experience in the power sector and currently driving the implementation of Microgrids in Tata Power-DDL

Subject: Request for Financial Support to Present Paper in "National Conference on Trends N Heralds in Engineering Excellence and Metamorphosis-2022" from 10th June 2022 to 11th June 2022.

Dear Sir/Madam,

We undersigned faculties are interested in attending an upcoming Faculty Development Program (FDP) relevant to our field in the Department of **Electrical Engineering** at Theem College of Engineering. The program focuses on the "National Conference on Trends N Heralds in Engineering Excellence and Metamorphosis-2022 " from 10th June 2022 to 11th June 2022.

Considering the financial aspects associated with attending such programs, I humbly request your support in granting permission and providing financial assistance to enable our participation in this FDP. Your support in this matter would greatly contribute to my professional development and ultimately benefit our department.

Thank you for considering our request. I look forward to your valuable cooperation.

About Institute

H. J. Thim Trust established Theem College of Engineering in 2009 at Boisar with an objective of "Success... through Quality Education" for the

development of youths who plays a decisive role in shaping the destinies of nation. The institute's serene and tranquil surroundings create a carnival atmosphere to develop students' overall growth in technical education as well as humanities.

Theem College of Engineering is approved by AICTE, Government of Maharashtra and DTE, and affiliated to University of Mumbai. The institute is awarded with B+ grade by NAAC. The institute is a remote centre of IITB-NMEICT (MHRD, Govt. of India). The institute is emerged as the only Premier Engineering College in Boisar with an overall intake of 660 students in the following graduate engineering programmes –

- Computer Engineering
- Information Technology Engineering
- Electronics and Telecommunication Engineering
- Mechanical Engineering
- Civil Engineering
- Computer Science Engg. (AI & ML)
- Automobile Engineering
- Electrical Engineering

In addition to this the institute has 240 intake in the following diploma engineering programmes –

- Computer Engineering
- Mechanical Engineering
- Civil Engineering
- Electrical Engineering

The institute's well-maintained infrastructure, rich academic excellence and teaching-learning ecosystem steer students to achieve their engineering skills and career goals. To enhance multi-tasking growth, the institute equally focuses on co-curricular and extra-curricular activities which yielded university rank holders and winners of various technical and sports events.

About Conference

Technology is a progressive phenomenon where the academic research can bring the rate of transformation critically fast to cater the society needs. To achieve these needs, **Trends n Herald in Engineering Excellence and Metamorphosis-2022** (THEEM-2022) provides the best avenues for the publication of new researches and developments.

The THEEM-2022 is an initiative to bring academicians, research scholars, industry experts and student community from various domains for knowledge exchange concerning current trends in engineering technology, science and humanities.

The THEEM-2022 facilitates the participants to present, discuss and publish their recent research results and approaches which develops new ideas and collaborations to achieve the needs of emerging industry. The conference also influences to learn the latest innovations and technologies to develop the future system.

Topics for National Conference

(Papers can be submitted on the following but not limited to)

Track 1-Computer Science/Information Technology

- Artificial Intelligence, Machine Learning and Deep Learning
- Big Data Analytics, Business Intelligence
- Block Chain Technology
- Cloud Computing
- Computer Networking and Security
- Database and Data Mining
- Digital India
- Distributed and Parallel Systems
- Grid Computing
- Green IT
- Natural Language Processing
- Recent Trends in IT

Track 2-Electrical/Electronics & Telecommunication Engineering

- Biomedical Engineering
- Digital Signal Processing
- Electric Drives and Control
- Image & Video Processing
- IoT Controlled Devices
- Micro Grid and Smart Grid
- Power Quality
- Power System Protection
- Renewable Energy
- Robotics & Automations
- VLSI & Embedded Systems
- Wireless Sensor & Networking

Track 3-Mechanical/Production/Automobile Engineering

- Advance of Automobile Engineering
- Agro-Farm Equipment
- Commercial Vehicle Technology
- Metallurgy and Manufacturing
- Noise, Vibration and Harshness Control
- Optimization Techniques
- Pollution Control
- Rapid Prototyping and CAE
- Robotics and Industrial Applications
- Recent trends in EV

Track 4- Civil Engineering

- Advance of Structural Engineering
- Disaster Management and Mitigation
- Environmental Engineering
- Geotechnical Engineering
- Highway and Pavement Engineering
- Innovative Concrete and Smart Material
- Remote Sensing and GIS application

Track 5- Applied Science & Humanities

- Applied Chemistry
- Applied Mathematics
- Applied Physics
- Communication Skills
- Library & Information Science

Submission of Full Paper:

The prospective authors are invited to submit full Paper (A4 size up to 6 pages) in the manuscript formats as per templates available at website.

<http://theemcoe.org/theem2022/cms/users/index.php>

OR

Submit your paper by email to: theem2022@theemcoe.org

1. Manuscript must be submitted on the understanding that they have not published this paper elsewhere and is not currently under consideration by any other conference/Journal.
2. All the authors should take care that the research paper should be their original work. If there is any issue of copyright and plagiarism then the author of research paper will be responsible. Before submitting your research paper kindly checks the plagiarism of research paper.
3. After expert view, author may asked to submit camera ready paper in doc & pdf format (should not exceeds 20MB), copyright form, registration form and scan copy of Demand draft/Cash receipt/Invoice copy by email as well as hard copy by post.
4. Faculty, student or any person from Industry & research scholar may participate in the conference.
5. Paper Format: Full paper should not be more than 6 pages and should be in Microsoft word format and PDF Format strictly.

Publications:

All selected papers shall be published in International Journal of Advance and Innovative Research (IJAIR) with ISSN: 2394-7780 and Impact Factor: 7.36 or conference proceeding e-book with ISBN. Quality papers will also be referred to Scopus Index journals on extra payment basis.

Accommodation:

The accommodation will be available on payment basis by sending the request in advance. For more detail contact to:

TATA POWER-DDL

MICROGRIDS

MASTER CLASS BY TATA POWER-DDL

An initiative of Tata Power-DDL to give exposure to Engineering College Students/freshers on niche current topic

Tata Power-DDL, India's leading Power Distribution Company, which is acknowledged globally for the deployment of cutting-edge technologies, practices and processes is organizing Webinar on Microgrids and application of microgrids in Electricity Distribution to enhance Power Supply.

Click below to register

Special Introductory per person Fee: Rs

499/- *

Highlights of the Webinar:

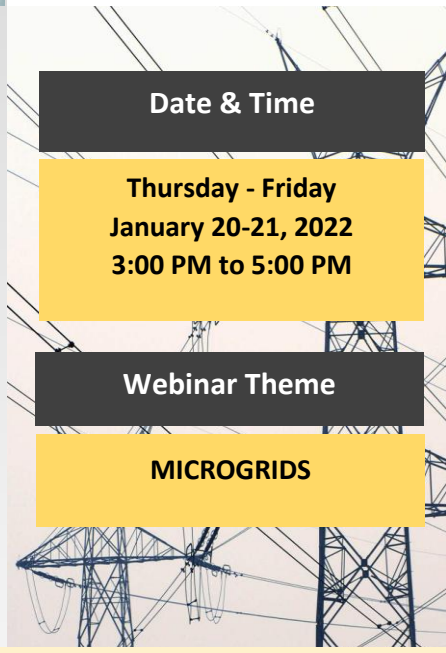

- Introduction to Microgrids
- Implementation of Microgrids in Power distribution network
- Distributed Energy Storage using Microgrids & Energy efficiency
- Tata Power-DDL's initiatives on implementation of Microgrids in Power Distribution

Date & Time

**Thursday - Friday
January 20-21, 2022
3:00 PM to 5:00 PM**

Webinar Theme

MICROGRIDS

Participation Certificates will be provided to all participants.

TRAINING METHODOLOGY

- The Online Training would be conducted on Tata Power-DDL's WebEx Event Platform
- Participants can attend the Training through any device like Desktop / Laptop / Tablet / Smart Phone

The Webinar would be conducted by a Subject Matter Expert, with vast experience in the power sector and currently driving the implementation of Microgrids in Tata Power-DDL

Subject: National Conference on Trends n Herald in Engineering Excellence and Metamorphosis-2020 (THEEM-2020) on 13 & 14 January, 2020

Sir/Madam

It is our great pleasure to inform you that H. J. Thim Trust's **Theem College of Engineering** - a decade old institution is going to organize a National Conference on **Trends n Herald in Engineering Excellence and Metamorphosis-2020 (THEEM-2020)** on 13 & 14 January, 2020 with an objective to provide a forum for exchanging of new ideas concerning current developments in engineering technology, science and humanities.

The conference offers a great opportunity to bring together academicians, engineers, scientists, research scholars and students from all spheres of engineering and technology including science and humanities.

The institute seeks your active participation with research materials from all the students and faculty. All the selected papers will be published in IJAIR Journal and in Conference Proceedings with ISSN No. 2394:7780 or Conference Proceeding E-book with ISBN number.

We request you to display the brochure on the college and department notice boards.

We look forward for your continuous cooperation to make this event a grand success.

Thanks with regards

Dr. Shah Aqueel Ahmed

About Institute

H. J. Thim Trust established Theem College of Engineering in 2009 at Boisar with an

objective of "Success... through Quality Education" for the development of youths who plays a decisive role in shaping the destinies of nation. The institute's serene and tranquil surroundings create a carnival atmosphere to develop students' overall growth in technical education as well as humanities.

Theem College of Engineering is approved by AICTE, Government of Maharashtra and DTE, and affiliated to University of Mumbai. The institute is awarded with B+ grade by NAAC. The institute is a remote center of IITB-NMEICT (MHRD, Govt. of India). The institute is emerged as the only Premier Engineering College in Boisar with an overall intake of 480 students in the following graduate engineering programmes –

- Computer Engineering
- Information Technology Engineering
- Electronics and Telecommunication Engineering
- Mechanical Engineering
- Civil Engineering
- Automobile Engineering
- Electrical Engineering

In addition to this the institute has 240 intake in the following diploma engineering programmes –

- Computer Engineering
- Mechanical Engineering
- Civil Engineering

The institute's well-maintained infrastructure, rich academic excellence and teaching-learning ecosystem steer students to achieve their engineering skills and career goals. To enhance multi-tasking growth, the institute equally focuses on co-curricular and extra-curricular activities which yielded university rank holders and winners of various technical and sports events.

About Conference

Technology is a progressive phenomenon where the academic research can bring the rate of transformation critically fast to cater the society needs. To achieve these needs, Trends n Herald in Engineering Excellence and Metamorphosis-2020 (THEEM-2020) provides the best avenues for the publication of new researches and developments.

The THEEM-2020 is an initiative to bring academicians, research scholars, industry experts and student community from various domains for knowledge exchange concerning current trends in engineering technology, science and humanities.

The THEEM-2020 facilitates the participants to present, discuss and publish their recent research results and approaches which develops new ideas and collaborations to achieve the needs of emerging industry. The conference also influences to learn the latest innovations and technologies to develop the future system.

Topics for National Conference

(Papers can be submitted on the following but not limited to)

Track 1-Computer Science/Information Technology

- Artificial Intelligence, Machine Learning and Deep Learning
- Big Data Analytics, Business Intelligence
- Block Chain Technology
- Cloud Computing
- Computer Networking and Security
- Database and Data Mining
- Digital India
- Distributed and Parallel Systems
- Grid Computing
- Green IT
- Natural Language Processing
- Recent Trends in IT

Track 2-Electrical/Electronics & Telecommunication Engineering

- Biomedical Engineering
- Digital Signal Processing
- Electric Drives and Control
- Image & Video Processing
- IoT Controlled Devices
- Micro Grid and Smart Grid
- Power Quality
- Power System Protection
- Renewable Energy
- Robotics & Automations
- VLSI & Embedded Systems
- Wireless Sensor & Networking

Track 3-Mechanical/Production/Automobile Engineering

- Advance of Automobile Engineering
- Agro-Farm Equipment
- Commercial Vehicle Technology
- Metallurgy and Manufacturing
- Noise, Vibration and Harshness Control
- Optimization Techniques
- Pollution Control
- Rapid Prototyping and CAE
- Robotics and Industrial Applications

Track 4- Civil Engineering

- Advance of Structural Engineering
- Disaster Management and Mitigation
- Environmental Engineering
- Geotechnical Engineering
- Highway and Pavement Engineering
- Innovative Concrete and Smart Material
- Remote Sensing and GIS application

Track 5- Applied Science & Humanities

- Applied Chemistry
- Applied Mathematics
- Applied Physics
- Communication Skills
- Library & Information Science

Submission of Full Paper:

The prospective authors are invited to submit full Paper (A4 size up to 6 pages) in the manuscript formats as per templates available at website.

<http://theemcoe.org/theem2020/home.php>

OR

Submit your paper by email to: theem2020@theemcoe.org

1. Manuscript must be submitted on the understanding that they have not published this paper elsewhere and is not currently under consideration by any other conference/Journal.
2. All the authors should take care that the research paper should be their original work. If there is any issue of copyright and plagiarism then the author of research paper will be responsible. Before submitting your research paper kindly checks the plagiarism of research paper.
3. After expert view, author may asked to submit camera ready paper in doc & pdf format(should not exceeds 20MB), copyright form, registration form and scan copy of Demand draft/Cash receipt/Invoice copy by email as well as hard copy by post.
4. Faculty, student or any person from Industry & research scholar may participate in the conference.
5. Paper Format: Full paper should not be more than 6 pages and should be in Microsoft word format and PDF Format strictly.

Publications:

All selected papers shall be published in International Journal of Advance and Innovative Research (IJAIR) with ISSN: 2394-7780 and Impact Factor: 7.36 or conference proceeding e-book with ISBN. Quality papers will also be referred to Scopus Index journals on extra payment basis.

Accommodation:

The accommodation will be available on payment basis by sending the request in advance. For more detail contact to:

Dear Sir/Madam,

We undersigned faculties are interested in attending an upcoming Faculty Development Program (FDP) relevant to our field in the Department of **Information & Technology Engineering** at Theem College of Engineering. The program focuses on the “National Conference on “Trends N Herald in Engineering and Metamorphosis”” from 13th Jan 2020 to 14th Jan 2020”

Considering the financial aspects associated with attending such programs, We humbly request your support in granting permission and providing financial assistance to enable our participation in this FDP. Your support in this matter would greatly contribute to our professional development and ultimately benefit our department.

Thank you for considering our request. We look forward to your valuable cooperation.

Success... through quality education!

Theem College of Engineering (TCOE) is promoted by the H. J. Thim Trust, which is founded to educate and empower the youth who play a decisive role in shaping the destiny of the nation. The College is located at Boisar (East) in serene and tranquil surroundings and was established in the year 2009 with an objective to impart quality education to students in the field of Technology. The institute is affiliated to Mumbai University (MU) and approved by AICTE (Delhi).

TCOE has emerged as the only Premier Engineering College in Boisar with an overall intake of 540 students in various fields of engineering viz. Computer, Information Technology, Electronics, Electronics & Telecommunication, Mechanical, Civil, Electrical and Automobile. The institute has a rich tradition of pursuing academic excellence and overall personal growth. This is achieved by conducting regular examinations, providing excellent infrastructure and above all, with the presence of dedicated and highly qualified faculty members, who strive in ensuring the all-round development of the professionals emerging from this institute.

The college has also started Diploma courses in Computer, Mechanical and Civil Engineering from the year 2012. The total intake in the above fields of Diploma Engineering courses is 240 students.

MAHATMA GANDHI MISSION
MGM College of Engineering and Technology

MGM's College of Engineering and Technology (MGM CET) is governed by Mahatma Gandhi Mission, a Charitable Trust Act 1950 and Societies Regulation Act 1860. Since its inception in 1982, Mahatma Gandhi Mission has developed into an excellent educational group and is totally committed to human resource development. MGM is now a chain of Engineering, Medical, Nursing, Management, Dental, Physiotherapy, Science, Journalism and Fine Arts spread over four educational centres - Navi Mumbai, Nanded, Aurangabad and Noida. In continuation of its proud tradition of enriching the human resource needs of the country, the Mission has set up in 1986, our institute MGM's College of Engineering & Technology, Kamothe, Navi Mumbai. The objective of the institution is to impart value based quality education by combining academics with exposure to industry. With this view in mind it provides state-of-the-art infrastructure facilities & academic resources to its students.

College is affiliated to University of Mumbai and approved by AICTE, New Delhi. MGM CET is awarded with ISO-9001-2000 Certification by RINA for providing technical education in engineering field as per the guidelines of University of Mumbai. The institute is one of the few engineering colleges to achieve this international standard for implementing and maintaining Quality Management System. The four courses viz. Computer, Electronics & Telecommunications, Biomedical & Civil are accredited by NBA of AICTE. MGM CET is housed in a spacious Campus near Panvel at the junction of NH-4 and Mumbai-Pune Expressway but in a modern style of Architecture, best suited to secure the requisite effect of simplicity & dignity, which should be associated with the technological institute. It maintains picturesque and lush green gardens around to provide a soothing atmosphere conducive to learning. Admission to the institute is as per the conditions laid down by Directorate of Technical Education, Maharashtra State.

Success... through quality education!

Theem College of Engineering (TCOE) is promoted by the H. J. Thim Trust, which is founded to educate and empower the youth who play a decisive role in shaping the destiny of the nation. The College is located at Boisar (East) in serene and tranquil surroundings and was established in the year 2009 with an objective to impart quality education to students in the field of Technology. The institute is affiliated to Mumbai University (MU) and approved by AICTE (Delhi).

TCOE has emerged as the only Premier Engineering College in Boisar with an overall intake of 540 students in various fields of engineering viz. Computer, Information Technology, Electronics, Electronics & Telecommunication, Mechanical, Civil, Electrical and Automobile. The institute has a rich tradition of pursuing academic excellence and overall personal growth. This is achieved by conducting regular examinations, providing excellent infrastructure and above all, with the presence of dedicated and highly qualified faculty members, who strive in ensuring the all-round development of the professionals emerging from this institute.

The college has also started Diploma courses in Computer, Mechanical and Civil Engineering from the year 2012. The total intake in the above fields of Diploma Engineering courses is 240 students.

MAHATMA GANDHI MISSION
MGM College of Engineering and Technology

MGM's College of Engineering and Technology(MGMCET) is governed by Mahatma Gandhi Mission, a Charitable Trust Act 1950 and Societies Regulation Act 1860. Since its inception in 1982, Mahatma Gandhi Mission has developed into an excellent educational group and is totally committed to human resource development. MGM is now a chain of Engineering, Medical, Nursing, Management, Dental, Physiotherapy, Science, Journalism and Fine Arts spread over four educational centres - Navi Mumbai , Nanded, Aurangabad and Noida. In continuation of its proud tradition of enriching the human resource needs of the country, the Mission has set up in 1986, our institute MGM's College of Engineering & Technology, Kamothe, Navi Mumbai. The objective of the institution is to impart value based quality education by combining academics with exposure to industry. With this view in mind it provides state-of-the art infrastructure facilities & academic resources to its students.

College is affiliated to University of Mumbai and approved by AICTE, New Delhi. MGMCET is awarded with ISO-9001-2000 Certification by RINA for providing technical education in engineering field as per the guidelines of University of Mumbai. The institute is one of the few engineering colleges to achieve this international standard for implementing and maintaining Quality Management System. The four courses viz. Computer, Electronics & Telecommunications, Biomedical & Civil are accredited by NBA of AICTE. MGMCET is housed in a spacious Campus near Panvel at the junction of NH-4 and Mumbai-Pune Expressway but in a modern style of Architecture, best suited to secure the requisite effect of simplicity & dignity, which should be associated with the technological institute. It maintains picturesque and lush green gardens around to provide a soothing atmosphere conducive to learning. Admission to the institute is as per the conditions laid down by Directorate of Technical Education, Maharashtra State.
