Report of Workshop on Self Defence.

Event: Workshop on Self Defence

Trainer: Mr Akash Bhoje (Fitness Reig, Mix Martial Arts Academy)

Date- 10th March, 2022

Timing: 11 AM onwards

Venue: Gym Hall, above cafeteria

The workshop started with an introductory speech by Prof Sneha Sankhe, Convener, WEGRC. She highlighted the key points why such kinds of workshops are required to sensitize our girl students to self-protect themselves in public places as well as at home. She also pointed out that this is the demand of the hour as we can relate ourselves to the news items of domestic violence, eve-teasing cases and other severe forms of violence against women and children which is pouring in on a day to day basis. Prof

Trainer started with their orientation in which he stated that Prevention Is the Best Self-Defence with that he explained personal security precautions. Training began with five minutes of moderate level warm up and stretching.

How to Get Loud and Push back, how to aim for the parts of the body where you can do the most damage easily: the eyes, nose, ears, neck, groin, knee, and legs were demonstrated by Trainer.

Dear Sir,

Greetings of the day...!

With respect to our telephonic discussion with Mr. Vaibhav Jadhav, please find below the proposal for Two Wheeler Defensive Training for employees of respective organization. We can conduct this Female Safety Riding (FSR College Event) & (CRF50) School Event in month of **3rd To 4th -Mar-2020**. (3 Days)

Honda with "Respect for human life" as the basic concept understands this and has positioned Safety as one of its most important themes. As Safety concern is very low amongst the Indian riders & accident rate is high, Honda has taken up this as a Challenge and is committed to improve driving standards of two wheeler riders in India as a social obligation towards society.

As two wheeler riders accounts for second largest victims of accidents & as many of your students & employees use two wheelers for commuting, we need to work together for the safety of them.

Requirement From College :-

- Auditorium for Presentation
- Projector with screen
- Sound system (Mice , speaker , 3.5 sound cable for audio, HDMI cable for projector connectivity)
- Ground for practical part (Like basketball court)

Regarding cost of Road Safety Activity - As HMSI promotes Safety Riding as CSR activity, so we will not charging for providing this training.

Kindly Confirm the activity date from your end as soon as possible.

Be A Safe Rider...!

Report of Programme Conducted on "Oral Hygiene"

Event: Seminar On "Oral Hygiene" on Occasion of International Women's Day, 2019.

Date: 08/03/2019

Venue: seminar hall 1

Resource Person: Dr. Shwetambari Patil (Dental Surgeon, Boisar)

To create awareness on Oral hygiene, with special emphasis on dental hygiene management, was organised by WEGRC on 8th March, 2019. The program began with the welcome note by Ms. Humera Gilani. Prof. Sneha Sankhe wished participants on occasion of women's day and presented a bouquet and Memento to guest Ms. Shwetambari Patil, Dental Surgeon. Programme started with seminar on Oral Hygiene.

A Dental Surgeon, Ms. Shwetambari Patil explained the basics as the practice of keeping the mouth clean, and is considered to be the best means of prevention of cavities (dental caries), gingivitis, periodontitis, and other dental measures which also helps to prevent bad breath (halitosis). Regular tooth cleaning by the dentist or dental hygienist is important to remove plaque that may develop even with careful brushing and flossing, especially in areas that are difficult for a us to reach on his own at home. Professional cleaning includes tooth scaling and tooth polishing and debridement if too much tartar has accumulated. She also explained reasons behind several oral diseases including mouth Cancer.

Girl Students shared their experiences and enquired on problems regarding wisdom tooth, braces and need of Root canal. While answering issues related to dental problems, she explained the reason behind costly treatments. Dr. Shwetambari mentioned that the dental treatments are not costly, but the ignorance at early stages makes treatment costlier. About 49 girls and 6 staff attended this seminar and got benefitted.

After the seminar, group of girl students performed dance and skit on "Save Girl Child". The program ended with a vote of thanks by Prof. Sneha Sankhe, Convener, WEGRC.

Women Empowerment and Grievance Redressal cell

Date: 10th October- 12th October, 2018

Name of the Activity: 3 DAYS WORKSHOP ON "SELF DEFENCE"

Report on 3 DAYS WORKSHOP ON "SELF DEFENCE"

As per the directives from Women and Child Welfare Committee of Maharashtra Legislative Assembly and Department of Students' Development, Vidyapeeth Vidyarthi bhavan, Churchgate, Mumbai, GR No: SW/06/ of 2018 University of Mumbai, our Women Empowerment and Grievance Redressal cell (WEGRC) of H. J. Thim Trust's , Theem college of Engineering , Boisar organized 3 days' workshop on 'Self-defence' for girl students.

Rape, molestation, kidnapping and murder are the most common forms of crime against women in India. The women in India are also vulnerable to acid attacks and eve-teasing. The mind-set of the people, including the victim and the spectator, is to ignore and just let it go. But, what we, as the responsible citizens of an independent country, fail to realise is that these instances of harassment can flare up into other bigger heinous crimes against women. And that is when the importance of learning self-defence techniques for women is felt.

Our priority was to design a program that would incorporate orientation, awareness, introduction to defence techniques with their demonstration and group discussion.

Day One, 10th October, 2018:

Topic: Stress Management and Mental health.

Resource Person: Dr Vijay Patil (BAMS)

As per World Health Organization (WHO), World Mental Health Day is observed on 10th October every year, with the overall objective of raising awareness of mental health issues around the world and mobilizing efforts in support of mental health.

Dr. vijay Patil explained how learning self-defence can work wonders in managing stress levels, discipline and social anxieties for people of all ages and skill levels. Yoga and Martial arts helps in controlling your anger at work, or focusing your mind when trying to study. The skills learned in self-defence are highly beneficial in controlling emotions and impulses which impacts everyday life and reflect greatly in overall mental wellbeing.

How to Get Loud and Push Back, how to aim for the parts of the body where you can do the most damage easily: the eyes, nose, ears, neck, groin, knee, and legs were demonstrated by Trainer.

He also explained and demonstrated that how to maximize the damage by the Use of your elbows, knees, and head as well as use of everyday objects and Leveraging your weight (using Jujitsu and other techniques where a smaller person is able to defeat a larger one).

Trainer demonstrated Moves for Getting Out of or Defending against Common Holds or Attacks by Wrist Hold, Front and Back Choke Holds, Bear Hug, Mount Position and Sexual Assault.

Day Three, 12th October, 2018:

Session 1:

Topic: Demonstration and practise session of self Defence Techniques

After the long session of self-defence training on 11th October, on next day girl students were presented with scenarios that may potentially amount to either a person-to-person nuisance or hostile environment situation. Students were then asked to use a techniques learned under each scenario, most accurately represented their initial thinking and response.

Session 2:

Topic: Group Discussion on "Teaching women self Defence is the only way to reduce sexual assaults".

Prof. Rosy Bhoi and Prof Sanketi Raut, WEGRC members of diploma were invited to judge the competition. The group discussion was conducted among 13 teams of students. There were three rounds, where the time distribution for each round was 3 min., 5 min and 7 min.. respectively. The students were judged based on some of the parameters that included Language, Body language, Voice Tone and Pitch, Group Behaviour, Fluency, team Spirit. In the first round, there were thirteen groups, among which four groups were shortlisted for round II. Then from round II, two groups were shortlisted for the final round.

Students were required to share their feelings toward the issues, and encouraged to discuss openly their reasons for making their choices. Feedbacks received from participants after having attended the workshop were mostly positive. Comments received mainly expressed a new sense of ownership of the topic and an appreciation of taking responsibility for the ultimate purpose of the workshop rather than being imposed by a set of imported moral theory.

The College is of the view that our girl students should be given more opportunity to learn about self-defence, as an essential element in their cognitive moral development. We found that women's self-defence workshop significantly affected girl's levels of confidence
