POWER OF SIMPLICITY

### After Delivery Support (ADS) :

- V R & Company is committed to provide the user (Location Representative) to provide ADS on phone or remote access and by internet for the period of 30 days (1 month) from the date of Completion of the Project. According to V R & Company Project Completion Date is equal to the Date of Receipt of Full and Final Payment against the Project or the completion note received from client which ever earlier.
- After ADS period is over, Client has an option of selecting Annual Software Support Plan (ASSP) for further support to the Customised Module. ASSP will be charged @ 20% of the Project cost. - ASSP includes electronic support over the phone and using internet. It also includes modifying the customised module to support introduction of newer releases further to Tally.ERP9. In case the client wishes not to opt for ASSP, all the support to the software after the mandatory support period of 90 days after the project delivery will be covered by Physical Visits alone and will be on chargeable basis In this case there won't be any telephonic or internet based support available. (This however doesn't include the possible non-working of the software with a later date release of Tally.ERP9 for which the software not designed – if the software is not covered under ASSP.

POWER OF SIMPLICITY

- For **ASSP** covered software, V R & Company is committed to rectification of any and all faults that may arise due to non- suitability of Software release. For user convenience, it is always advised to seek V R & Company's opinion before up-grading the Tally.ERP9 release.)
