**Sub: Requesting support for the balanced amount of proposed workshop**

Respected Sir,

I am pleased to inform you that our proposal to conduct the workshop on the topic **Quality Assurance in Higher Educational Institutes by using Open educational resources** to be held on 9th and 10th June 2023, has been approved by NAAC, for financial assistance of **Rs.30,000/-** (Rupees Thirty-Thousand only). Total estimated expenditure to conduct the workshop as submitted to NAAC is **Rs 142000.00**. I request you that the balance amount required to organize this activity may kindly be borne by the institution.

We are sending herewith:

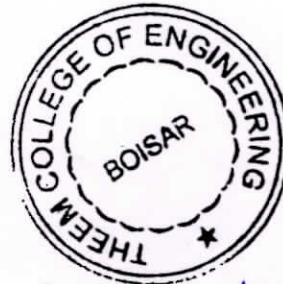

1. Proposal
2. Sanction letter

Thanking you

With regards

**Dr. Emily Ghosh**  
IQAC Coordinator

**Subject: Request for Financial Support to Attend FDP on "Advance in Finite Element Analysis"**

Dear Sir/Madam,

We undersigned faculties are interested in attending an upcoming Faculty Development Program (FDP) relevant to our field in the Department of Mechanical Engineering at Theem College of Engineering. The program focuses on the "Advance in Finite Element Analysis from 3<sup>rd</sup> July 2023 to 8<sup>th</sup> July 2023"

Considering the financial aspects associated with attending such programs, We humbly request your support in granting permission and providing financial assistance to enable our participation in this FDP. Your support in this matter would greatly contribute to our professional development and ultimately benefit our department.

Thank you for considering our request. We look forward to your valuable cooperation.

# MICROGRIDS

## MASTER CLASS BY TATA POWER-DDL

An initiative of Tata Power-DDL to give exposure to Engineering College Students/freshers on niche current topic

Tata Power-DDL, India's leading Power Distribution Company, which is acknowledged globally for the deployment of cutting-edge technologies, practices and processes is organizing Webinar on Microgrids and application of microgrids in Electricity Distribution to enhance Power Supply.

HURRY UP!!  
EXCELLENT OPPORTUNITY

**REGISTER NOW**

Click below to register

REGISTER

Special Introductory per person Fee: Rs

499/- \*

### Highlights of the Webinar:

- Introduction to Microgrids
- Implementation of Microgrids in Power distribution network
- Distributed Energy Storage using Microgrids & Energy efficiency
- Tata Power-DDL's initiatives on implementation of Microgrids in Power Distribution

### Date & Time

Thursday - Friday  
January 20-21, 2022  
3:00 PM to 5:00 PM

### Webinar Theme

MICROGRIDS

Participation Certificates will be provided to all participants.

### TRAINING METHODOLOGY

- The Online Training would be conducted on Tata Power-DDL's WebEx Event Platform
- Participants can attend the Training through any device like Desktop / Laptop / Tablet / Smart Phone

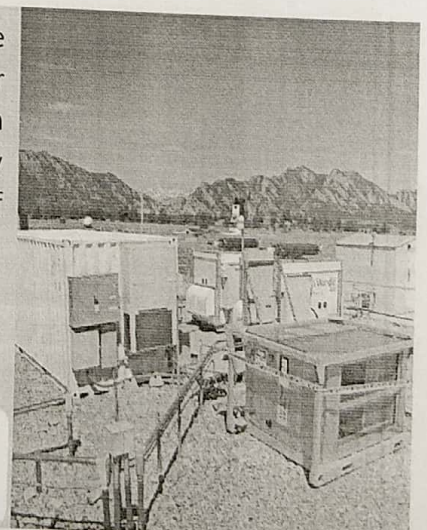

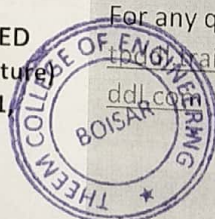

The Webinar would be conducted by a Subject Matter Expert, with vast experience in the power sector and currently driving the implementation of Microgrids in Tata Power-DDL

**Subject:** Request for Financial Support to Present Paper in National Conference on "Trends N Herald in Engineering and Metamorphosis" from 13<sup>th</sup> Jan 2020 to 14<sup>th</sup> Jan 2020.

Dear Sir/Madam,

We undersigned faculties are interested in attending an upcoming Faculty Development Program (FDP) relevant to our field in the Department of **Electrical Engineering** at Theem College of Engineering. The program focuses on the "National Conference on "Trends N Herald in Engineering and Metamorphosis"" from 13<sup>th</sup> Jan 2020 to 14<sup>th</sup> Jan 2020.

Considering the financial aspects associated with attending such programs, We humbly request your support in granting permission and providing financial assistance to enable our participation in this FDP. Your support in this matter would greatly contribute to our professional development and ultimately benefit our department.

Thank you for considering our request. We look forward to your valuable cooperation.

Sub: Requesting Financial support for Conducting FDP on "Finite Element Analysis for Engineering applications Using ANSYS Software"

Respected Sir,

I am Mr. Wasim Khan, HOD of Automobile Engineering want to bring your notice that we are going to conduct the Faculty development program on "Finite Element Analysis for Engineering applications Using ANSYS Software" to be held on 24<sup>th</sup> Dec 2018 to 29<sup>th</sup> Dec 2018. The Said program is being delivered by Shirsh TechnoSolutions per quotation scrutinized from various technical partners. The total expenditure involved is as follows:

Onsite Advanced FEA training : 60,000/- (For Sixty participants)

We are sending here with:

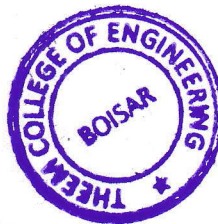

1. Brochure
2. Quotation

Kindly Provide financial support towards Staff.

Thanking you sir

With Regards

## About the Institute

Theem College of Engineering (TCOE) is promoted by the H. J.Thim Trust, which is founded to educate and empower the youth who play a decisive role in shaping the destiny of the nation. The College is located at Boisar (East) in serene and tranquil surroundings and was established in the year 2009 with an objective to impart quality education to students in the field of Technology. The Institute is affiliated to Mumbai University (MU) and approved by AICTE (Delhi).

TCOE has emerged as the only Premier Engineering College in Boisar with an overall intake of 540 students in various fields of engineering viz. Computer, Information Technology, Electronics, Electrical and Telecommunication, Mechanical, Civil, Electrical and Automobile. The institute has a rich tradition of pursuing academic excellence and overall personal growth. This is achieved by conducting regular examinations, providing excellent infrastructure and above all with the presence of dedicated and highly qualified faculty members, who strive in ensuring the all-round development of the professionals emerging from this institute.

The college has also started Diploma courses in Computer, Mechanical and Civil Engineering from the year 2012. The total intake in the above fields of Diploma Engineering courses is 240 students

- Recognized by All India Council for Technical Education, New Delhi.
- National Board of Accreditation (NBA) accredited courses: Computer Engineering, Mechanical Engineering and Electronics & Telecommunication.
- Permanently affiliated to University of Mumbai.
- "A" Grade awarded by Govt. of Maharashtra.
- ISO: 9001-2008 Certified Institution.
- Offers 4-year Degree Engineering Courses in Mechanical Engineering, Electronics & Telecommunication, Information Technology, Computer Engineering & Instrumentation Engineering.

## Department of Automobile Engineering

The Department of Automobile Engineering has started B.E. degree programme in Automobile Engineering in the year 2012 with an intake of 60 students.

The department has CAD/CAM centre with updated commercial CAE softwares for better understanding in machine design. Other labs viz. I.C. Engine lab, Vehicle Maintenance lab, Autotronics lab and Theem Excellence Centre-Automobile (TECA) which is equipped with modern BMW engines and other components that are very beneficial to the students to get deep insight and practical knowledge of the subject. Industry-institute interaction is a regular phenomenon of this department. Talks, workshops and seminars on different technological aspects and emerging trends are conducted at regular intervals to keep students updated with industry requirements and practices.

The Department is supported with a team of dedicated, highly qualified and experienced Faculty. They strive for overall development of the students.

### About the FDP

The FDP focuses on Finite Element Method (FEM) which is a numerical and computer-based technique for solving a variety of practical engineering problems involving structural, thermal and fluid flow domains. It is recognized by developers and users as one of the most powerful numerical analysis tools ever devised to analyze complex problems of engineering. The underlying theory of the method is now well established, with many books and courses providing adequate explanations of the theory. However, most people using the method, via commercial software or in-house codes, do not often understand the method as applied to engineering problems, especially in generating output data and interpreting the results. As participants are expected from different institutes, this course would provide an excellent opportunity for the participants to interact with one another and discuss problems and solutions of mutual interest.

### Objectives of Program:

The main objective of this faculty development program is to promote the basic and applications of finite element methods to solve the several types of engineering problems. Applicability of the method and different types of formulation procedures will be explained. Complete step-by-step details will be presented for typical 1D, 2D and three-dimensional analysis. The programme includes hands-on-sessions for solving engineering problems using ANSYS software.

### Contents:

- Basic concepts of FEM
- Overview of FEM and its applications
- Structural Mechanics
- 1D, 2D and 3D Simulations
- Dynamic Analyses
- Modal Analyses
- Random Vibration Analysis
- Thermal and Transient analysis
- Optimization using DOE
- Buckling and stress stiffening

### Registration:

Interested faculty from Engineering, Polytechnics & other Technical Institutions are requested to send their Registration Form to Program Coordinator on or before 24<sup>th</sup> Dec 2018 to 29<sup>th</sup> Dec 2018.

Registration Fee – Rs. 1,000 + (18% GST)

### Program Organized by:

## PRACTICAL FINITE ANALYSIS WORKSHOP TRAINING FOR STUDENT

To,  
Prof. Nadeem Ansari  
Asst. Prof. , Automobile Engg. Dept.  
Theem COE, Boisar

Date: 06 Dec 2018

Ref Number: ST/479/12/18/06

REF: OUR Discussion on 4<sup>th</sup> Dec 2018

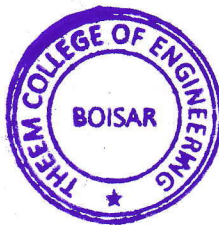

### PROPOSAL FOR CONDUCTING 5 DAYS PRACTICAL FINITE ANALYSIS WORKSHOP TRAINING FOR STUDENTS.

#### Executive Summary:

In response to the quotation request for conducting training on practical FEA, we are submitting our proposal. ST (Shirsh Technosolutions) shall provide following services for MUTLI DOMAIN ENGINEERING System.

#### Application of Finite element analysis on industrial case studies to execute the training as per annexure-1:

Advanced FEA training onsite execution for 3 days shall be provided by ST.

*Handwritten signature and date*  
08/12/18

**Resource Allocation:** full time qualified trainer during training phase.

**Commercial:**

Item	Description	Rate (INR)
1.	Onsite Advanced FEA training as per SOS mentioned in Annex-1 - 5 days- 60 PARTICIPANTS	60,000
		60,000 /- (Sixty thousand only)

**Terms and Condition:**

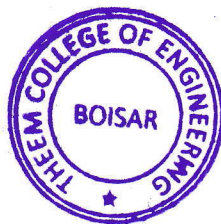

1. **Payment Terms: 50% advance & 50% before delivery of report.**
2. **18% GST extra shall be applicable at the time of final invoicing.**
3. Delivery as per above mentioned schedule for each design after confirmed PO and advance to our account
4. The terms and condition will be subjected to Non-Disclosure agreement mutually agreed and signed.
5. Any activity apart from that mentioned in executive summary will be charged on project basis.
6. This quotation is valid for one week from the date mentioned above.
7. Order & payment should be placed on the name of **SHIRSH TECHNOSOLUTIONS.**
8. **Our Bank details for NEFT transfer:**

**BANK: Yes Bank**  
**BENEFICIARY: SHIRSH TECHNOSOLUTIONS**  
**ACCOUNT NUMBER: 001083800006318**  
**IFSC CODE: YESB0000010**  
**BRANCH: ANDHERI WEST**

**Contact Details:**

# Annexure - 1

## *Session 1 Introduction*

Structural Mechanics: A Quick Review  
Finite Element Methods: A Conceptual Intro Failure Criteria of Materials  
Background of ANSYS

## *Session 2 2D Simulations*

Step-by-step: Triangular Plate with slots used in robotic arm More Exercise  
: Rack and pinion analysis  
More Exercise : Concept of stress concentration  
Practice exercise for academics with verification

## *Session 3 3D Simulations*

Step-by-step: Rail wagon Bracket Step-by-step: Pillow Box  
More Exercise : Support Bracket  
Practice exercise for academics with verification

## *Session 4 Line Models*

Step-by-Step: 3D Truss Problem More Exercise: 2 floor structure  
Practice exercise for academics with verification

## *Session 5 Modal Analyses*

Step-by-Step: Gearbox  
Step - by-Step: 2 floor structure

## *Session 6 Thermal Analysis*

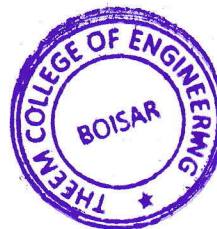

Step-by-Step: Oven Conduction and convection More exercise: case  
study on pressure vessel Coupling analysis : Thermal + structural

## *Session 7 Optimization using DOE tool*

Step-by-Step: Robotic arm gripper  
More exercise: case studies

## *Session 8 Buckling and stress stiffening*

Step-by-Step: Beam bracket  
More exercise: case studies

## Technocrat Partner Institutes

**MAHATMA GANDHI MISSION**  
MGM College of Engineering and Technology

MGM's College of Engineering and Technology (MGM CET) is governed by Mahatma Gandhi Mission, a Charitable Trust Act 1950 and Societies Regulation Act 1860. Since its inception in 1982, Mahatma Gandhi Mission has developed into an excellent educational group and is totally committed to human resource development. MGM is now a chain of Engineering, Medical, Nursing, Management, Dental, Physiotherapy, Science, Journalism and Fine Arts spread over four educational centres - Navi Mumbai, Nanded, Aurangabad and Noida. In continuation of its proud tradition of enriching the human resource needs of the country, the Mission has set up in 1986, our institute MGM's College of Engineering & Technology, Kamothe, Navi Mumbai. The objective of the institution is to impart value based quality education by combining academics with exposure to industry. With this view in mind it provides state-of-the art infrastructure facilities & academic resources to its students.

College is affiliated to University of Mumbai and approved by AICTE, New Delhi. MGM CET is awarded with ISO-9001-2000 Certification by RINA for providing technical education in engineering field as per the guidelines of University of Mumbai. The institute is one of the few engineering colleges to achieve this international standard for implementing and maintaining Quality Management System. The four courses viz. Computer, Electronics & Telecommunications, Biomedical & Civil are accredited by NBA of AICTE. MGM CET is housed in a spacious Campus near Panvel at the junction of NH-4 and Mumbai-Pune Expressway but in a modern style of Architecture, best suited to secure the requisite effect of simplicity & dignity, which should be associated with the technological institute. It maintains picturesque and lush green gardens around to provide a soothing atmosphere conducive to learning. Admission to the institute is as per the conditions laid down by Directorate of Technical Education, Maharashtra State.

**Subject: Request to form Cisco Networking Academy through Trident Academy of creative thinking.**

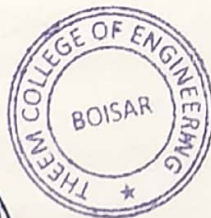

Dear Sir,

With reference to above subject Training and Placement cell want to create Cisco Networking Academy through Trident Academy of creative thinking in our college. Through Networking Academy our staff will be trained by Cisco on various Domain selected by us under train the trainer program. Trained staff will act as In house trainers for specific domain. As per received quotation we need to appoint 4 staff members for two different tracks. From Training and Placement section we have identified some staff members as follows:

Mr. Rahatullah Khan (Electrical Department)  
Mr. Khalil Pinjari (IT Engineering)  
Mr. Rajat Singh (Computer Engineering)  
Mr. Azhar Nabi (IT Engineering)

Single point of Contact: Mr. Raees Ahmad

Please grant us the permission to form Cisco Networking Academy as well as appoint the staff for same. The quotation has been attached herewith for your reference.

  
(Prof. Raees Ahmad)

Principal

Date: 08/02/2023

To,  
● The Principal  
Theem College of Engineering,  
Boisar.

Subject: Regarding reimbursement of NPTEL  
FDP registration fees.

Respected Sir,

This is to inform you that I have registered two NPTEL faculty development programs, namely Python for Data Science (4-weeks course) and Data Science for Engineers (8-weeks course), whose exams will take place on March 25, 2023, and March 26, 2023, respectively. I have paid registration fees of Rs. 1100/- for each of these two FDPs. So, the total amount paid by me is  $(2 \times 1100) = \text{Rs. } 2200/-$  for both.

● Therefore, I request you to reimburse me for the amount that I have paid for registration. I have also attached the fee receipts with this application and am hoping to hear back regarding the request of mine.

Thanking you,  
Nouman Bader  
Assistant Professor.

● Mechanical Engg Dept.

**Subject:** Regarding reimbursement for GATE exam and NPTEL FDP course.

Respected Sir,

This is to bring to your kind attention that I have successfully completed the NPTEL FDP course for the Internet of Things (12-week course) on May 17, 2023. I also qualified the GATE 2023 exam. Both certificates are attached to this letter for your kind reference.

The details of total amount paid by me are as follows:

Exam	Registration fee
NPTEL FDP Course	₹1100
GATE	₹1700
Total	= ₹2800/-

Kindly grant me the total reimbursement of ₹2800/- for the same.

Yours sincerely,

*Noman*  
19/05/2023
