Action Taken Report (A.Y. 2021-22)

Sr. No.	Stakeholder	Feedback	Action Taken
1	Students	Quality of Syllabus needs improvement in terms of Academic content.	All the teachers were informed about the issue and they were encouraged with effective pedagogy with suitable case studies and experiments
		For achieving the expected course outcome, the depth of course contents need to be increased.	Teachers were advised to pay more attention to the attainment of course outcomes.
		Students need more practical sessions.	Teachers gave their best to assign more practical sessions by assigning them with few real-life examples as tasks.
		Correlate curriculum with real life example/ situation.	Teacher focused on relating the curriculum with real life situations.
2	Teacher	Suggested that the syllabi should be correlated as per industry requirements.	The details of the feedback were received by the heads of college in order to fill that gap suitable courses were conducted.
		Teachers need liberty to access/adopt new techniques/ planning for teaching.	Teachers upgraded their knowledge and explored new teaching techniques by attending several FDPs.
3.	Alumni	Evidence based practical demonstration.	Teachers were asked to pay more attention to evidence-based practical education by assigning them with few case studies as tasks.
4.	Employer	Suggestion to enhance general communication skills.	Teachers were advised to ensure the enhancement of students' communication skills.
		Suggestion to promote work environment for team work.	Teachers were given an instruction to promote a work environment in the form of team work and inculcate with respect to mini and major projects in the semester.
