

THEEM ENTREPRENEURSHIP AND START-UP CENTRE

-IGNITES THE INNOVATION

Theem Entrepreneurship and Start-up Centre (TESC): Theem College of Engineering has started Theem Entrepreneurship and Start-up Centre to educate the students regarding ups and downs of industrial entrepreneurship and their social responsibility on promotion of industrialization and eradication of unemployment. It also plans to develop programmes to train our students for entrepreneurship with good communication skills for their innovative products and for their re-engineering aspects. This centre was inaugurated on **6 August, 2018** by Mr. Lokesh Kumar G. T., CEO of Orion Automobile Engineering Consultants, Thane.

Vision

- Developing Programs to eradicate unemployment and promote industrialization.
- Educating our students on up sides, downsides of industry entrepreneurship and show them a light on social responsibility.
- Training our students as perspective entrepreneurs venturing into start-up and make them excellent in communication skills.

Mission

- To develop their ideas into design, study of required materials for manufacturing and competitive prices of the fair product.
- To promote re-engineering aspects as per the market demands and inculcate the importance of fair deal and paying taxes.
- To improve presentation skills to become good communicator to promote their innovative product.

Procedure

1. Theem Entrepreneurship and Start-up Centre is open to all streams both degree and diploma students.
2. Submit an application addressed to the principal, with duly signed by respective HOD for approval by the Principal to the in-charge of Theem Entrepreneurship and Start-up Centre.

The following details to be submitted:

- a) Market survey and project report.
- b) Competitive project with innovative product ideas.
- c) Name of the guide and team member/s.
- d) Estimated Project cost with estimated payback period.
- e) Proposed date of piloting the project.

A handwritten signature in black ink, appearing to be 'S. S. S.' or similar, written over a horizontal line.

Theem Entrepreneurship and Startup Cell feels proud to felicitate the above entrepreneurs. The programme “Honouring and Felicitating Theem’s Startup Leaders” was held on 29 September, 2018 at Seminar Hall 1. It was inaugurated by the chief guest Mr. Bhibhu Ranjan Mohapatra, CEO of 3idea Technology, Mumbai. All the dignitary start-up leaders were felicitated with memento and certificates by the chief guest, the management and the principal. The startup leaders of our college shared their journey of success to final year students and guided them for any help. The chief guest shared his views on Intellectual Property Rights (IPR) in a very detailed way to the audience and some of our start-up leaders and students enquired their doubts and some ideas on IPR. The programme was concluded with vote of thanks.
